

Cav Connection

Coldwater Exempted Village Schools

cw.noacsc.org August 2024

Dear Families and Community Members,

Summer is coming to an end very quickly! We have been busy getting ready for the coming school year. A special shout-out goes to our custodian crew, maintenance staff, and student helpers. Despite being very short-handed, the building looks cleaner than ever. Too often, these unsung heroes do not get the recognition they deserve. Our school would not operate without these dedicated professionals. This summer, we continued making security upgrades utilizing a safety grant. We were able to add shatterproof film, some with graphics, to all entry points to ensure no one could penetrate the building by breaking the glass.

This summer, we said goodbye to some amazing educators as they either retired, moved, or pursued other professional opportunities internally and externally. With that, we welcome the following individuals to the Coldwater family:

- **Amber Pohl - Kindergarten Teacher**
- **Mary Kate Lefeld - 1st Grade Teacher**
- **Kelly Wenning - 3rd Grade Teacher**
- **Thomas Schwieterman - 4th Grade Teacher**
- **Cheyenne Bruns - Middle School Intervention Specialist**
- **Grace Swander - 5th Grade ELA Teacher**
- **Jack Hemmelgarn - High School Math Teacher**
- **Amy Albers - HR Coordinator/Office Manager at District Office**

As a reminder, we implemented the following digital platforms to make our processes more efficient and allow our communication methods and distribution lists to be accurate and timely when sending general and urgent messages to families:

- **FinalForms:** FinalForms saves you time and decreases paper usage, allowing you to complete and sign several school agreements and forms for your student online, including emergency medical forms. FinalForms saves data from year to year, meaning you will only need to enter the same information once! If your student is in extracurricular activities and you need an emergency medical form, only one form will be required online for both school and the extracurricular activity. You will review your information each school year to verify it is current and to sign the forms. **This year is much easier for all returning families.**
- **One Call:** This system will allow the school to send automated phone calls when vital information needs to be sent and seen immediately. **It also allows us to send text messages. We will send text messages, not phone calls, for delays and cancellations.**
- **School Links:** This is a digitized portfolio for post-secondary planning. It includes the ability to send transcripts to post-secondary institutions electronically. All applications and planning documents for post-secondary purposes will be housed in this system. We will integrate college and career readiness tools from School Links into some of our Coldwater courses.

We will continue the drop-off/pick-up procedure we established last year. This process is much safer for our students and parents at the beginning and end of the day. This [LINK](#) outlines the procedure for those who need a reminder or are new to our school district. As a reminder, all elementary car riders must be picked up at the circle drive. We will not permit students to be picked up across the street in the staff lot. Also, to adhere to safety protocols, **please do not line up or park in front of the middle school prior to 2:30 pm, with dismissal at 3:00 pm**. Last year, the pick-up process took less than 15 minutes from start to finish. We appreciate everyone following these procedures to keep pick-up and drop-off as safe and smooth as possible.

For planning purposes, here are the calendars for the next 3 school years. Below, you will find the calendars in PDF format as well as CSV format, so you have the opportunity to upload the school calendar into your personal calendar:

- [2024-2025 Calendar PDF Version](#)
- [2024-2025 Calendar Text Version](#)
- [2025-2026 Calendar PDF Version](#)
- [2025-2026 Calendar Text Version](#)
- [2026-2027 Calendar PDF Version](#)
- [2026-2027 Calendar Text Version](#)

Our Board of Education had two readings of a resolution to place an additional 0.5% traditional income tax on the November ballot. As a district, we have listened to the community and placed a traditional income tax on the ballot to ensure it applies to all. We also lowered the amount based on optimistic projections and limited it to a 5-year levy. These revenues will solidify Coldwater's future and help fix many of our aging infrastructure issues. Please note:

- The bond maintenance levy expires this year in 2024. This saves a property owner approximately \$7.70 annually on an assessed value of \$100,000 on their land and/or property or \$15.40 for an assessed value of \$200,000. This cannot be renewed.
- The emergency levy expires in 2026. This saves a property owner approximately \$73.50 annually on an assessed value of \$100,000 on their land and/or property or \$147 for an assessed value of \$200,000.
- The bond levy expires in 2029. This saves a property owner approximately \$66.50 annually on an assessed value of \$100,000 on their land and/or property or \$133 for an assessed value of \$200,000.

I am confident that the 2024-2025 school year will be the absolute best of all time in Coldwater. We will continue communicating in the most transparent way possible and showcase what is happening in our schools to highlight our remarkable students and staff who are striving to improve daily. We will continue with our spirit days and encourage even those not in the school buildings each day to join us. Please share your pictures with us, and we will add those to our social media posts. This [LINK](#) outlines each dedicated spirit day. In Coldwater, "Great Schools = Great Community and Great Community = Great Schools" holds true more than any place I have been affiliated with. I hope everyone enjoys the remainder of the summer. Please do not hesitate to contact any of us at school if you have questions or concerns.

Doug Mader, Superintendent

Health Reminders for the 2024-2025 School Year

As you prepare for the upcoming school year don't forget to review the health information below. Please keep this article all year to help remind you of this important health information.

- If your child has ANY health concerns, please discuss this with your child's teacher(s) as well as the school nurse. It is important to do this every year. Please give updates on any of your child's health concerns as often as needed throughout the year.
- Be sure to send in your child's updated shot records if your child is in kindergarten, 7th or 12th grade OR you have been notified that your child's shot record is not up to date. This is a state law, and your child can be excluded from school if the proper paperwork is not submitted.
- The medication policy states ALL medication must come in its original container. Absolutely no baggies or any other containers will be accepted.
- **Prescription medication** MUST have a signed order from the doctor/nurse practitioner who prescribed the medication. No medication can be given without that order. Medication forms are in each building office as well as the nurse's clinic.
- **Over the counter medication** must have a form filled out by the parent. Those forms can also be found in each of the building offices or the nurse's clinic.
- ALL medication must be checked in with the nurse. Parents or responsible students can bring medication to the building office (high, middle or elementary offices) or directly to the nurse's office.
- Please keep your child home when they are sick. Particularly if they have a fever over 100.4 degrees, vomiting, frequent diarrhea, head lice, any undiagnosed rash, a bad cough, or is too sick to handle normal school activities. Please remember to call the office to report your child's illness. If your child sees a doctor and the doctor requests they be off school, you can bring in a doctor's excuse for those absences. This is not always required, but can be helpful with your child's attendance record.
- Vision and Hearing screenings will be conducted for students in grades K, 1, 3, 5, 7, 9 and 11 (vision only for grade 7). You can request a screening be done on your child any time throughout the year by contacting the nurse. Teachers may request this for your child as well.
- Please contact Jodi Weigel, School Nurse at 419-678-2611 extension 3315 with any health concerns any time throughout the year.

Give Me a Smile

A fund has been established by an anonymous donor at the Mercer County Civic Foundation to provide orthodontic braces to deserving Coldwater youth. This opportunity is available to all Coldwater youth and is called "Give Me a Smile." The program provides a free initial screening and then covers the cost of orthodontic braces with little cost to the family for the duration of the treatment. If you are interested in the program contact Jodi Weigel, School Nurse, for the application or for further information.

FROM THE DESK OF THE TREASURER, JENN MCCOY:

Fiscal Year End Financial Numbers

Fiscal Year-end financial statements should be ready sometime in August. When comparing our final revenue and expenditure numbers for the fiscal year with our forecasted revenues and expenditures, my revenue comes out to 97% accurate and my expenditures come out to 96% accurate with the May Forecast.

I would like to thank the staff for being fiscally responsible by staying within their budgets. I'd also like to commend Mitch Voskuhl and our maintenance staff for an excellent job of keeping costs down where possible and doing heavy maintenance in house rather than outsourcing it for a higher cost.

We received several grants this year which amount to over \$1.3 million dollars that paid for the following big purchases along with many other supplies to enhance our students' experience at Coldwater EVSD:

- Crosswalk lights and signs
- Upgraded fiber network and switches
- Updated Elementary ELA curriculum
- Key card readers
- Speaker system in the Palace
- Makerspace equipment and supplies
- Smartboards
- Safety film on doors
- Scissor Lift
- Bus

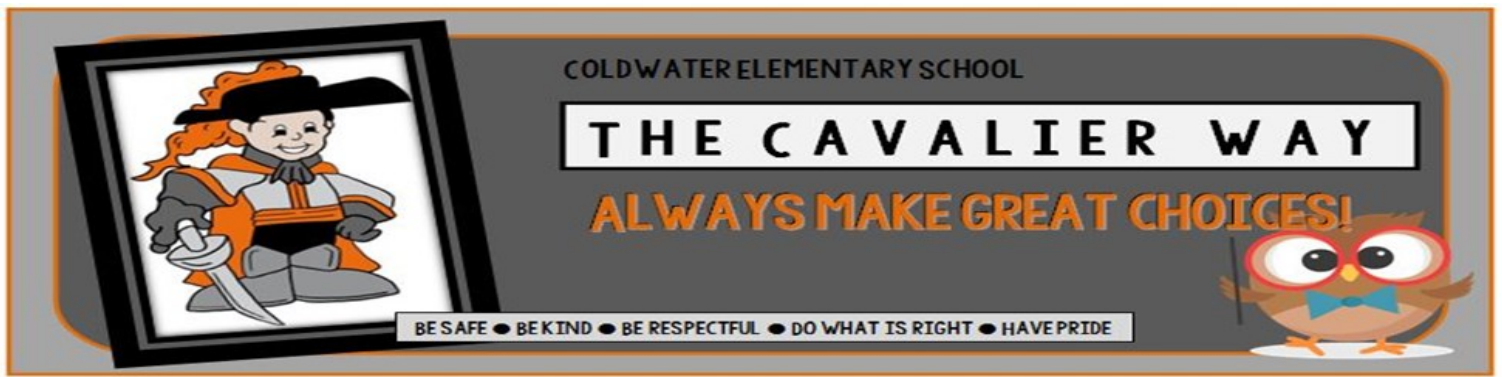

If anyone has any questions regarding our financials, please feel free to call me, Jenn McCoy, at 419-678-2611 ext. 2306 or email mccoy.jenn@coldwatercavs.org. Thank you to the Coldwater community for all your support for the Coldwater School District and GOOD LUCK to staff and students as they begin their 2024-2025 school year! A great big THANK YOU goes out to the maintenance and custodial staff for their extreme amount of hard work they put into getting the school building ready all summer long.

UPCOMING BOARD MEETINGS:

**The Coldwater EVSD Board of Education
will meet the following evenings at
6:00 PM in the Cav Room:**

August 13, September 10, and October 8, 2024

Elementary News:

Mike Etzler - Elementary Principal

I would like to take this opportunity to welcome our Coldwater Elementary Students back for the 2024-25 school year. Over the summer our elementary teachers and staff have been working very hard preparing their classrooms for another outstanding year of classroom instruction, activities, and overall student growth. As we begin a new school year, we find teachers establishing school standards and rules. In the most successful classrooms, teachers have established routines for their students to follow. This means giving the students specific areas to find and keep materials, establishing a set schedule for classroom instruction etc. These routines, blended with the teacher's consistent standards and necessary communication with parents, form a smooth running classroom where the students have the security of understanding their environment and are reinforced positively for their contributions.

The Coldwater Exempted Village School District has four core values to guide what we do with students, staff, and our community each day. These core values are: **Caring relationships**, **Academic growth**, **Value everyone**, and **Successful future**. Coldwater Elementary will continue to build great character, leadership, growth and social skills with our students by following these core values and doing things "The Cavalier Way". Our students will be expected to be safe, be kind, be respectful, do what is right, and have pride in all they do. Our focus/theme for the school year is, "Effort Counts, Attitude Matters, & Hard Work Wins!" We want all of our students at Coldwater Elementary to give great effort, have an outstanding attitude, and always work hard. Every day is filled with choices and we want our students to make good ones that support themselves and others. No matter what task is given to our students, we want them to always give it their best, by being their best self. We want to teach every student to make smart choices academically, socially, and behaviorally so that each one can grow in every aspect of their life!

At home, it is also important to provide routines. Many families build a daily "quiet time" when the television and electronics are turned off. This quiet time provides students the opportunity for completing school work or for recreational reading if there is no homework. The routine of a daily quiet time provides an opportunity to develop self-discipline, stimulate imagination, and enhance reading skills.

We are very excited about the new school year, and want to encourage each student to make good choices to build inner pride and confidence! We will continue to implement our Coldwater Elementary Positive Behavior Intervention & Supports (PBIS) Program. Our hope is that this program will continue to help all involved build great character and social/emotional skills, and allow our students to be awesome and amazing every day! Coldwater Elementary is very excited to continue to implement and integrate social emotional learning within the classroom and school. Lastly, we want to wish every student the opportunity of having their best school year ever!!

Coldwater Elementary PBIS Program: "Little Cavs, BIG Character!"

PBIS at CWEL: A General Overview

"Expecting Excellence"

The main focus of Positive Behavioral Interventions and Supports (PBIS) is to provide a clear system for all expected behaviors at Coldwater Elementary. While many team members and students have assumptions of what is expected behavior, we cannot assume that everyone's beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process, thus allowing every Cavalier to ***be their best self and pursue excellence!***

The Pursuit of Excellence at Coldwater Elementary

The goal is this at Coldwater Elementary: In our classrooms and school, the expectation is that we do things the right way. Whatever the expectation is; listening attentively, following directions, or walking in the hallway etc. we expect it to be done with excellence. We pursue excellence in everything we do because excellence transfers from the simple and commonplace to more important things like academics, kindness, and respect. The success of our school and students will depend on our team's ability to follow the below expectation:

"Whenever your students don't give you what you want, whether it's the first day of school or the last, stop them in their tracks, ask for and wait for their attention, and then make them do it again until they accomplish the expectation with excellence. Do this whenever they fail to live up to your expectations, and before long, pursuing excellence will become a habit they can't shake."

Proactive Approach to School-Wide Discipline

Schools that implement school-wide systems of positive behavior support focus on taking a team-based system approach and teaching appropriate behavior to all students in the school. Schools that have been successful in building school-wide systems develop procedures to accomplish the following:

- 1. Behavioral Expectations are Defined.** A small number (3-5) of clearly defined behavioral expectations are defined in positive, simple rules, The Cavalier Way:
 - * **Be SAFE**
 - * **Be KIND**
 - * **Be RESPECTFUL**
 - * **Do What is RIGHT**
 - * **Have PRIDE**
- 2. Behavioral Expectations are Taught.** The behavioral expectations are taught to all students in the building, and are taught in real contexts. Teaching appropriate behavior involves much more than simply telling students what behaviors they should avoid. Specific behavioral examples are:
 - *Be safe* means to act in a way that keeps everyone from harm or danger.
 - *Be kind* means to be friendly, generous, and considerate of others.
 - *Be respectful* means to treat others the way you would like to be treated.
 - *Do what is right* means making the best, most positive, and correct choices.
 - *Have pride* means to be proud of and to be your best self.

Behavioral expectations are taught using the same teaching formats and lessons at each grade level. Each expectation is presented, the rationale for the rule is discussed, positive examples (“right way”) are described, modeled, and rehearsed, and negative examples (“wrong way”) are described and modeled. Videos can also be used to model and demonstrate expected school-wide behaviors. Students are given an opportunity to practice the “right way” until they demonstrate correct performance. Teachers are expected to keep students accountable for these procedures throughout the school year and make them redo procedures as many times as needed until they are done correctly and with integrity 100% of the time. Weekly social/emotional lessons and discussions will also be done in each classroom throughout the school year. Doing this will support our students’ academic success, reduce behavioral problems and emotional distress, and develop positive social behavior.

3. Appropriate Behaviors are Acknowledged. Once appropriate behaviors have been defined and taught, they need to be acknowledged on a regular basis. CWEL has designed some formal systems that reward positive behaviors.

- **Cav Coins** - Cav Coins are immediate rewards used by the individual team member, at their discretion, as a tool of encouragement and a student motivator. Use Cav Coins to encourage and reinforce positive behaviors demonstrated on a consistent basis or to give to students who go “above and beyond” the expectation consistently. All team members can award Cav Coins to students, whether they teach them or not. Cav Coins can be turned in by students at the end of each quarter. Students can spend their coins to purchase rewards of their choice at the Cav Coin Store.
- **Positive Behavior Referrals** - CWEL Team Members can fill out a Positive Behavior Referral Form about a student at any time. The purpose of this form is to recognize a student for the positive behavior(s) that they have modeled. The form is sent to the office for recognition and to receive a special award. The form is then sent home so parents are aware of this accomplishment.
- **Cavalier Way Awards** - At the end of each quarter, teachers recognize two students in their classroom who have demonstrated and/or modeled The Cavalier Way to the best of their ability. These students are awarded with a certificate and “Cavalier Way” item/prize at our quarterly “Cavalier Way” school-wide assembly.

4. Behavioral Errors are Corrected Proactively. When students violate behavioral expectations, procedures are needed for providing information to them that their behavior was unacceptable. Correcting, modeling, and having the student or class redo and practice the behavioral expectation is critical in preventing that unacceptable behavior from occurring again. Students, teachers, and all team members should be able to predict what will occur when behavioral errors are identified. **Student Incident Reports (SIRs)** are used to document and record minor incidents managed by the teacher in the classroom. **Office Referral Forms** are used to refer major incidents or chronic minor behaviors to the administration. The **Behavior Flow Chart** is used to help teachers distinguish major from minor behavioral incidents.

CAVALIER WAY Donation Drive

CAVALIER WAY Donation Drive

Dear Parents, Community Members, and Businesses,

Coldwater Elementary is very excited to continue to implement “**The Cavalier Way**” expectations along with character and leadership building through our PBIS (Positive Behavior Interventions and Supports) program. Our slogan is “**Little Cavs, BIG Character!**” PBIS is a program that helps improve student behavior by creating expectations for students to strive towards that will help them be the best they can be at school, in our community, and in life!

"The Cavalier Way"

Be Safe Be Kind Be Respectful Do What is Right Have Pride

Our PBIS committee proudly continues to promote this mission at our school and in the community. We believe that this mission will help foster your child's growth with respect, responsibility, and social skills, as they continue to grow in academics. We also believe this program will help promote positive behavior and high expectations for your child when they are out in our community. We encourage you to look for "The Cavalier Way" characteristics in your child and acknowledge them with appreciation.

In lieu of having your child(ren) sell items to do a fundraiser for our PBIS program this upcoming 2024-25 school year, we would like to again have a **"Cavalier Way Donation Drive"** and ask for your support of monetary donations. With your support, we will be able to fund student and teacher programs, supplies, resources, Cavalier Way quarterly assemblies and rewards/incentives that will support this mission for our students. Many of the donations will be used to purchase items to be used in the Cav Coin Store where students can shop as a reward for exemplifying "The Cavalier Way." Students are able to earn small tokens, called Cav Coins when they are demonstrating "The Cavalier Way" with outstanding behaviors. These coins are used for students to purchase items from the store. Also, with these generous donations Coldwater Elementary is able to fund character education and social emotional learning curriculum programs/materials for our teachers. This helps us provide practical and easy to use tools that focus on developing character and social-emotional skills in our students, staff, and families.

If you choose to sponsor this fundraising effort by giving any donation amount, we will be happy to publish your name in our quarterly *Cav Connection* and on our Coldwater Elementary Facebook page. We would greatly appreciate your support of our students as this fundraiser will have a positive and tremendous impact on our school and community.

If you would like to donate, please drop it off at the elementary office or send your donation to the address below:

Coldwater Elementary School
Attn: Cavalier Way Donation Drive - Mike Etzler
310 N. Second St.
Coldwater, Ohio 45828

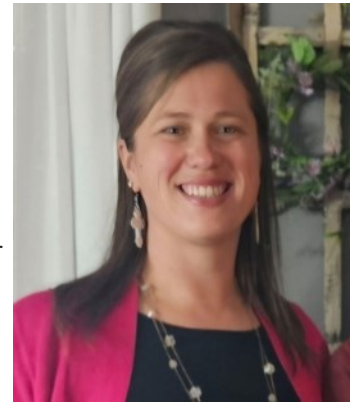

Checks can be made out to "Coldwater Elementary School" with "Cavalier Way Donation Drive" written on the "for" or "Memo" line. If you have any questions, please feel free to contact Coldwater Elementary School directly at **419-678-2613** or you may send an email to **etzler.mike@coldwatercavs.org**. Thank you so much for your consideration of this donation opportunity.

New Coldwater Elementary Team Members - "WELCOME!!!"

We would like to welcome Mrs. Amber Pohl, Mrs. Mary Kate Lefeld, Mrs. Kelly Wenning, and Mr. Thomas Schwieterman to our Coldwater Elementary Team for the 2024-25 school year. Mrs. Pohl will be teaching kindergarten, Mrs. Lefeld will be teaching first grade, Mrs. Wenning will be teaching third grade, and Mr. Schwieterman will be teaching fourth grade. They will all be outstanding additions to our school and community. We are very excited to have them join the Coldwater Elementary Team!

Get to know Mrs. Amber Pohl...

Mrs. Amber Pohl will be teaching Kindergarten at Coldwater Elementary this year. She has 11 years of teaching experience, and the past 8 years she taught Kindergarten at Holy Rosary. She is a 2008 graduate of Marion Local High School and 2013 graduate of Wright State Lake Campus with her bachelor's degree in Early Childhood Education. Her favorite part of the school day is seeing her students learn and grow in all aspects. Mrs. Pohl, her husband, Matt, and their four children, Brayden (14), Kaylee (10), Adalyn (8), and Emery (7), live on the family dairy farm in the Coldwater School District. Mrs. Pohl is excited to be teaching in the same school district her children attend! Go Cavs!

Get to know Mrs. Mary Kate Lefeld...

Mrs. Mary Kate Lefeld will be coming to Coldwater from Tipp City and most recently, Greenville. This will be her 12th year of teaching. She graduated from Tipp City and went on to attend Ohio University to pursue a degree in Early Childhood Education and graduated in 2013. Mrs. Lefeld obtained her masters degree in School Leadership at Miami University. She has lived in Coldwater for the past 9 years with her husband Ryan and now, their two children, Crew (4) and Collins (1). Her favorite part of the school day is reading to students and she cannot wait to watch them grow over the school year. Mrs. Lefeld will be teaching first grade and is very excited to be teaching in the town where her family lives. Go Cavs!

Get to know Mrs. Kelly Wenning...

Mrs. Kelly Wenning, joining Coldwater Elementary School from Versailles, brings with her a wealth of teaching experience spanning 9 years. She graduated from Versailles in 2009, earned her Early Childhood Education degree from Wright State Lake Campus in 2015, and completed her Masters in 2018. She is thrilled to embark on her journey as a third-grade teacher at Coldwater Elementary School, especially with her own children set to attend. Outside of teaching, Mrs. Wenning enjoys family life with her husband, Craig, whom she has been married to for 7 years. They are blessed with five beautiful children: Chloe (6), Aleah (5), Ashlynn (3), Raelynn (3), and Aiden (1). Together, they cherish camping trips and hosting gatherings for family and friends at their home. Go Cavs!!

Get to know Mr. Thomas Schwieterman...

Mr. Thomas Schwieterman will be coming to Coldwater from Lima Freedom Elementary. He graduated from Coldwater in 2018. He attended Wright State University to obtain a degree in Early Childhood Education and graduated in 2022. He enjoys helping the students grow in and outside the classroom. He is very excited to teach in the town where he grew up. Mr. Schwieterman will be teaching 4th grade English language Arts and Science. Mr. Schwieterman lives in Coldwater and knows how amazing this community is. Go Cavs!

New Student Registration:

Students new to Coldwater School District are requested to register prior to the first day of school (August 20). Parents or legal guardians need to bring the following documents for enrollment:

- Birth Certificate
- Legal Custody Documents (if applicable)
- Immunization Record
- Proof of Residency

Parents are encouraged to call the school as soon as possible to schedule a registration appointment. Summer office hours are 7:00 a.m. to 3:30 p.m. Monday-Friday.

- Elementary (K-4) 678-2613
- Middle School (5-8) 678-3331
- High School (9-12) 678-4821

Fee Collection Days

Fee Collection Days have been set for Thursday, August 8th and Friday, August 9th from 8:00 a.m. - 3:00 p.m. The student fee for all elementary students for the 2024-25 school year is \$205.00. When paying school fees, please write a personal check or use exact cash and place the fee in a sealed and labeled envelope. Please label the envelope with the student(s) name and grade(s). There will be no change used for fee collection. Please make checks payable to: Coldwater Schools.

***Student registration for the 2024-25 school year must be done online through Final Forms. Please register each child that is attending Coldwater Schools by going to coldwatercavs.org, then under the "NEWS" tab click on "Final Forms". This must be completed before the first day of the school year, Tuesday, August 20, 2024.

PTO School Supply Pick-Up

If you ordered a SchoolKidz School Supply Kit for your child from the Coldwater PTO for the 2024-25 school year, the scheduled pick-up night will be on Thursday, August 8th from 5:00-6:30 p.m. School Kits can be picked up in the Circle Drive behind the elementary as you pull around, someone will assist you. You do not need to get out of your car. If you are unable to pick up your kit(s) on this night, you can stop by the elementary office Monday-Friday, 8:00 a.m. - 3:00 p.m. to pick up your kit.

Elementary Open House:

Coldwater Elementary would like to invite all parents in grades K-4 to meet their child's new classroom teacher and visit our school during the annual open house to be held on Thursday, August 15th from 4:30 - 6:00 pm. All students may bring in their school supplies/materials at this time and organize them in their desk/locker so they are prepared for the first day. Everyone is welcome to attend and we hope to see you there!

Arrival/Departure Information

The elementary school day begins at 8:13 a.m. Students who are not in their classroom by this time will be marked as tardy. **Students should not arrive at school prior to 7:50 a.m. as they can not enter their homerooms until 8:00 a.m.** Please communicate with your child and their teacher daily dismissal information. It is important that your child knows how they are traveling home so that the Coldwater Elementary team can get every student dismissed properly and safely. Thank you in advance for your cooperation.

Car Rider Pick-Up: CAVehicle Identification Number TAGS

We will again be using CAVehicle Identification Car Tags for parents/guardians who will be picking students up in a vehicle this year. These tags will be used to help pick up your child through the car rider line. This is being done solely for the purpose of increased safety regarding our students. Please read the following carefully as we will adhere to this policy throughout the school year.

If you will be picking up your child, or a group of children at the end of the school day on a regular basis (more than once/week), you will need to please fill out the CAVehicle Identification Number form and return it to the elementary office **BEFORE THE FIRST DAY OF SCHOOL**, Tuesday, August 20, 2024. This form can be found either one of two ways:

1. Go to cw.noacsc.org, then under the "NEWS" tab click on "Final Forms". After you are logged in and click on your child's account, on the "Forms" page you can click on "Car Rider Drop Off/Pick Up Procedures". Here you can print off the form.
2. You also can stop by the elementary office to pick up a form.

If your family has a CAVehicle Identification Tag from last year (meaning you will use the same tag), please mark that on the form. We would also appreciate it if you could take a permanent marker and rewrite your number on the tag so that it can be seen for the upcoming school year.

If you do not have a tag from last year, please fill out the form appropriately and the office will then assign each family or vehicle group a CAVehicle Car Tag. The office will then send home a letter with the assigned identification number, along with as many orange "Car Tags" (with identification numbers on them) as needed to be given to any adult that might be picking up your child or vehicle group throughout the school year. There is no cost for the first tag but there is a \$2.00 charge for each additional tag. As your vehicle enters the loading zone, the tag will need to be displayed through the vehicle on the rear view mirror so that staff will be able to read the tag.

If you are the parent of an occasional car rider you have the option of getting a car tag or calling the office on the day your child will be a car rider. I suggest getting a tag if your child is going to be a rider more than once or twice a month. Just remember that on those days when your child is a car rider to display the tag on your rearview mirror.

- ♦ ***It will be vital for your child to know their CAVehicle Identification Number, especially if they are with a group of other students not in the same family.**
- ♦ **Again, if you are filling out the form, please return it to the elementary office before the first day of school, August 20, 2024.**

Delay Schedule

Below are the elementary two and three hour delay schedules. **On a two-hour delay, students can enter the building at 10:00 a.m. and school starts at 10:13 a.m. On a three-hour delay, students can enter the building at 10:45 a.m. and school starts at 11:00 a.m.**

	2 HOUR DELAY	3 HOUR DELAY
Students enter building	10:00 a.m.	10:45 a.m.
Start of School	10:13 a.m.	11:00 a.m.
K - lunch & recess	(L) 11:10-11:40 (Commons) (R) 11:45-12:00	(L) 11:10-11:40 (Commons) (R) 11:45-12:00
1st - lunch & recess	(L) 11:20-11:50 (Commons) (R) 11:55-12:10	(L) 11:20-11:50 (Commons) (R) 11:55-12:10
2nd - lunch & recess	(L) 11:25-11:55 (Commons) (R) 12:00-12:15	(L) 11:25-11:55 (Commons) (R) 12:00-12:15
3rd - lunch & recess	(L) 11:35-12:05 (Auditeria) (R) 12:05-12:35	(L) 11:35-12:05 (Auditeria) (R) 12:05-12:35
4th - lunch & recess	(L) 11:45-12:15 (Commons) (R) 12:15-12:45	(L) 11:45-12:15 (Commons) (R) 12:15-12:45
Dismissal	3:00 p.m.	3:00 p.m.

Summer Academic Incentive

Don't forget to keep working to reach the Summer Reading and Match Incentive Goal. Remember that each student who completes the program will need to either turn in their recording sheet with parent signature on either the first or second day of school, August 20-21, 2024 or complete the online forms to earn the reward.

Students who are going into 1st and 2nd grades:

You will need to read a minimum of 400 minutes (1st Grade) and 500 minutes (2nd Grade) throughout the summer. You will also need to practice your addition and subtraction facts a minimum of 40 times for five minutes each time. 1st/2nd grade students who earn the reward will get to go to Coldwater Memorial Park for the afternoon and will be able to purchase Kona Ice.

Students who are going into 3rd and 4th grades:

You will need to read a minimum of 700 minutes throughout the summer. You will also need to practice your addition/subtraction facts (if needed) and your multiplication/division facts a minimum of 40 times for five minutes each time. 3rd/4th grade students who earn the reward will get to go swimming at the Coldwater Pool for the afternoon and will be able to purchase Kona Ice.

The Coldwater Elementary Team is looking forward to an OUTSTANDING school year! Please encourage, support, and be your child's biggest fan as together we can help your child to grow, feel success and be the best they can be... "The CAVALIER Way"!

Cavalier Community,

Welcome back to Coldwater Middle School for the 2024/2025 school year! I hope this finds you and your family in good health and high spirits. As the summer break draws to a close, we are eagerly preparing for the upcoming school year, and I am thrilled to extend my warmest greetings to both returning and new students and families.

At Coldwater Middle School, we strive to create an environment where each student feels valued, supported, and inspired to reach their fullest potential. As in the past, Cav P.R.I.D.E. is the mantra we live by, encompassing the values and principles we hold dear: Caring relationships, Academic growth, Valuing everyone, and teaching **P**ersonal **R**esponsibility **I**n **D**eveloping **E**xcellence.

Caring relationships lie at the heart of our school community. Strong connections between staff, students, and families are essential for a successful educational journey. Our dedicated teachers and support staff are committed to nurturing these relationships, ensuring that each student feels safe, heard, and supported throughout their time at Coldwater Middle School.

Academic growth is a crucial focus at our school. We are committed to providing an enriching and engaging learning environment where students are encouraged to explore their interests, develop critical thinking skills, and achieve their academic goals. Our talented teachers are excited to share their knowledge and expertise, guiding students on their educational journey and fostering a love for lifelong learning.

We firmly believe in the value of everyone in our school community. Each individual brings unique perspectives, talents, and contributions that enrich our collective experience. We celebrate diversity and strive to create an inclusive environment where all students feel respected, appreciated, and empowered to be their authentic selves.

Personal Responsibility In Developing Excellence is a core principle we instill in our students. We believe in the power of personal responsibility and self-discipline to foster growth and excellence. By taking ownership of their actions, setting high standards for themselves, and working diligently towards their goals, our students develop the skills and character necessary to thrive academically and personally.

The first day of school is Tuesday, August 20, 2024. Doors will open at 8:00 AM, and we encourage all students to arrive promptly to ensure a smooth start to the day. We have exciting plans and activities for the new school year, including engaging classroom experiences, extracurricular opportunities, and events that foster a sense of community and school spirit. We look forward to partnering with you as we embark on this new year together. Communication between school and home is vital, and I encourage you to reach out to us with any questions, concerns, or suggestions. Together, we can create an exceptional learning environment where every student can flourish.

Please visit our school website at www.coldwatercavs.org and the middle school's Twitter account [@CWMiddleSchool](https://twitter.com/CWMiddleSchool) for further updates and essential information.

Wishing you a fantastic start to the new school year!

Go Cavs!

Dan Pohlman, Principal
Coldwater Middle School

NEW TEACHERS join the CWMS team!

We are excited to introduce two new teachers to the CWMS team, Cheyenne Bruns and Grace Swander.

Cheyenne will be our new 5th-grade intervention specialist. Cheyenne is a 2014 graduate of Parkway High School and a 2017 graduate of Ball State University where she received her Bachelor's Degree in Special Education Severe Intervention. In August of 2018, she was hired by the Mercer County ESC as their Low Incidence Transition Teacher and was placed in the Coldwater District. She then received her Master's Degree in 2021 from Ball State University furthering her expertise in Special Education. She has 6 years of special education experience. Cheyenne resides in Ft. Loramie with her husband Adam and son Samuel. Cheyenne is also expecting her second child in late August. We are extremely excited to welcome Cheyenne to Coldwater Middle School!

Grace Swander will be our new 5th-grade Language Arts teacher. Grace is a 2019 graduate of Parkway High School and a 2023 graduate of Wright State University Lake Campus with a Bachelor's Degree in Middle Childhood Education with a concentration in Language Arts and Social Studies. Grace completed her student teaching at Coldwater Middle School under Mrs. Jess Post and covered Mrs. Erica Oh's maternity leave during the 22/23 school year. We were very impressed with her when she was here. In August of 2023, Grace was hired by the South Adams School District in Indiana as an 8th grade Language Arts teacher, bringing this positive year of experience to Coldwater. Grace currently resides in Rockford. We are extremely excited to welcome Grace to Coldwater Middle School!

5TH GRADE AND NEW STUDENT ORIENTATION (Tuesday, August 13th @ 1:00 in the Pound)

There will be an orientation meeting for all new students and 5th-grade students on Tuesday afternoon, August 13th at 1:00. The meeting will take place in the Coldwater Middle School Pound. The purpose of the meeting will be to introduce the students to the middle school facility and to talk about some of our rules and expectations. Parents need not attend as there will be an open house before school starts for both parents and students to meet teachers, however, if you would like to attend, you are welcome too.

MIDDLE SCHOOL OPEN HOUSE (Thursday, August 15th, 4:30-6:00)

An Open House for the middle school will be held on Thursday, August 15th from 4:30-6:00 PM. Students and parents are invited to attend and tour our facilities and meet the teaching staff.

7TH GRADE CHROMEBOOK PARENT MEETING - (Thursday, August 15th @ 5:30 in the Auditoria.)

Students entering the 7th grade will be issued a Chromebook for the 2024/2025 school year. This Chromebook will be used within the classroom and also will be taken home and cared for by your child every day. This piece of equipment is expected to be at school charged and ready to go every day. For students to receive a Chromebook, parents of 7th-grade students should attend a meeting to review the Chromebook Loan Agreement. ***Students will receive their Chromebooks at this meeting if both the parent and student signatures are completed in FINAL FORMS.***

CHROMEBOOK CARE - Parents, We need your help!

We ask that you please discuss proper Chromebook care with your child for the upcoming school year. Chromebook damages were found to be at an all-time high as the tech department took inventory of the student Chromebooks this past summer. Although our tech department is AWESOME at fixing damaged Chromebooks, they have way more important things to do. Please express to your child that they must care for their Chromebook because they will have it throughout their schooling career at Coldwater.

1. Please do not eat or drink around your Chromebook. We have had to fix many mechanical issues over the summer and many of these issues have stemmed from sticky spillage and crumbs stuck in the keyboards.
2. Do not carry your Chromebook one-handed by the screen. This many times damages the screen and also damages the hinges that connect the screen to the keyboard.
3. Do not slam the Chromebook shut abruptly. Slowly close the screen with care.
4. When transporting your Chromebook from class to class and especially to and from school, the Chromebook should always be placed in its protective case. **Do not carry your Chromebook in your bookbag without being inside its protective case.**

NEW STUDENT REGISTRATION

New students to Coldwater Middle School are requested to register before the first day of school which is August 20th. Items needed for registration include a birth certificate, legal custody documents (if applicable), immunization records, proof of residency and social security numbers (optional). Parents are encouraged to call the Middle School Office (419-678-3331) as soon as possible to schedule a registration appointment.

MIDDLE SCHOOL FALL COOKIE DOUGH FUNDRAISER (September 16th - September 30th)

Students will once again be participating in a fundraiser to help raise money for various student activities and field trip transportation costs throughout the school year. We are working with **Club's Choice Fundraising** again this year. The sale will kick off Monday, September 16th, and run through Monday, September 30th. We would like to encourage all students to get involved, however, we do not expect this to be door-to-door sales. Selling to your immediate family and close relatives would be the easiest and safest way to sell the cookie dough. Cookie dough will be delivered in early November before the holidays get here. We would like to thank the Coldwater Community in advance for supporting the sale and also the students/families for their efforts, as it supports the many wonderful activities for our students.

ARRIVAL PROCEDURES

Students will not be permitted into the building until 8:00 each morning unless they are here for a special meeting, practice, or activity. In case of inclement weather or frigid temperatures, students will be allowed to enter the building at 7:50 AM and report to the Auditoria until the 8:00 bell rings. The warning bell will ring at 8:08 and announcements will begin at 8:10. All students are expected to be seated in their first-period class by 8:10, the 8:13 bell is the tardy bell. The following will be the entrances for each grade level. ***Please note that this pertains to walkers and car riders only.***

- **5th grade** - Use the south parking lot doors that enter into the 5th-grade hallway.
- **6th grade** - Use the south parking lot doors that enter into the 6th-grade hallway.
- **7th grade** - Use the MS front entrance to enter the school.
- **8th grade** - Use the MS front entrance to enter the school.

********All students arriving after 8:13 are to use the main entrance of the middle school on Market St and check in at the office before going to class.***

STUDENT ATTENDANCE POLICY

As stated in the student handbook, good attendance is a very important part of having a successful school year.

1. Parents or guardians are expected to call the middle school by 9:13 a.m. to report a student's absence and inform the school of the reason for the absence.
 - a. If a parent/guardian fails to call, the following will take place.
 - i. 1st, 2nd, 3rd offense - Secretary calls the parent and warns after 3 times, the absence will be unexcused.
 - ii. 4th offense - Secretary calls the parent, absence is unexcused, the truant officer is called and the student will receive a 30-minute detention.
2. If a student misses more than 10 days in a school year, he or she will be required to bring in a doctor's excuse slip for any subsequent absences due to illness or medical. Absences prior to this with a doctor's excuse will not count toward the 10.

MIDDLE SCHOOL CELL PHONE RULES

Cell Phones are prohibited in the school.

1. If a student has a cell phone, it must be powered down at all times and in the student's locker.
2. Students may not use a cell phone in the school for any reason unless directed by school personnel.
3. Cell phones will be taken away if they are not in the student's locker.
 - 1st Offense – Cell phone housed in the office for the day.
 - 2nd Offense – Cell phone housed in the office for the day and parents contacted.
 - 3rd Offense & thereafter – Cell phone housed in the office for the day, 60-minute detention, and cell phone must be picked up by a parent.

(PARENTS: Please do not text your child at school and expect them to respond while at school.)

DRESS CODE REMINDER

Proper dress, manners, and attitudes will be expected at all times. Each student should realize that how he or she dresses affects his/her behavior and the behavior of other students as well. The following dress code will help to maintain a proper learning environment:

1. Hats, headbands, and other garments worn around the head are not permitted if they violate the intent of the dress code.
2. Clothing may not be disruptive to the educational system.
3. Shirts with sleeves removed or leaving the armpit exposed, or shirts showing the student's stomach may not be worn unless another shirt is worn underneath.
4. Shirts displaying chemical advertisements (alcohol, drugs, tobacco, drug paraphernalia) shall not be worn.
5. Pants/jeans or shorts, which are tattered, torn, or with any holes may not be worn if they are deemed, by the principal, to be a distraction to the education process. No cut-off shorts permitted. Shorts and skirts must be of modest length.
6. Pants must be worn at the hip at all times.
7. Dress and grooming standards require cleanliness in the interest of health, sanitary conditions, and safety requirements.
8. When a student is participating in school activities, his/her dress and grooming will not disrupt his/her performance or that of other students or constitute a health threat to himself or other students.
9. Chains (that do not include jewelry) may not be worn. (Ex: chains that connect billfolds to pants and those worn on jackets)
10. No shoes with wheels are permitted.

***The principal reserves the right to make judgments concerning other questionable/disruptive modes of dress.

MIDDLE SCHOOL SCHEDULE PICK-UP/FEE COLLECTION

Middle School Schedules can be picked up and fees be paid in the Middle School Office during the following times.

Thursday, August 8th, 2024 - 8:00-12:00 and 1:00-4:00 PM

Friday, August 9th, 2024 - 8:00-12:00 and 1:00-4:00 PM

Middle School Fees are as follows:

- Fifth Grade - Non-Band \$155.95, Band \$170.95
- Sixth Grade - Non-Band \$156.75, Band \$171.75
- Seventh Grade - Non-Band \$205.55, Band \$203.95
- Eighth Grade - Non-Band \$193.55, Band students \$183.55. In addition, if a student elects to take Art add \$10, Digital Art \$12, Robotics \$5, and Architecture \$12.

Fees can also be mailed to:

Coldwater Middle School

Attention: Linda Stalder

310 North Second St.

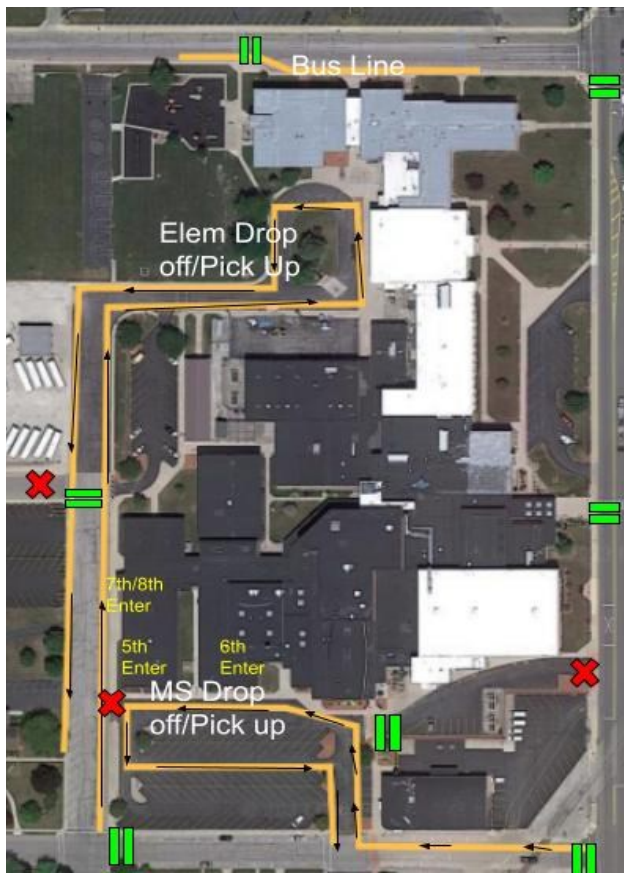

Coldwater, OH 45828

Please make checks payable to Coldwater Schools.

Lunch money collection will also be available at this time but must be paid with a separate check. Lunch money payments for all your children can be paid with one check, regardless of what grade they are in.

Arrival - Dismissal Procedures 24/25

Below is a map and procedures for arrival and dismissal for the 24/25 school year. Student drop off and pick up will be in the circle drive for the elementary school and the south parking lot for the middle school. The buses will be lined up on Vine St. for both drop off and pick up.

Arrival

Walkers and Car riders:

- 5th grade enters from MS south hallway doors
- 6th grade enters from MS south hallway doors
- 7th/8th grade enters MS main entrance

Bus students:

Exit the bus and either enter the Elementary School front entrance or walk around the Elementary to Circle Drive, and enter the HS Circle Drive entrance to MS. *Bad weather - travel through the elementary, the Pit, and the HS to MS.*

Departure

Bussers:

Must exit MS by walking behind the Auditoria stage to the HS circle drive exit. Stay on the sidewalk heading toward the playground and then to the front of the Elementary where buses are parked.

Walkers/Bikers: Students must use designated crosswalks. Students are never allowed to cross between cars in pickup lines.

- West town - Use the main entrance to exit or 7th-grade hallway doors and use the crosswalk.
- East town - Exit any south door and walk down the sidewalk to the crosswalk leading to the central office or exit HS Commons front entrance using the crosswalk in front of the high school.
- North town - 1. Follow bussers and exit into Circle Drive 2. Exit the MS front entrance, use the crosswalk, and head down the sidewalk toward playground 3. Exit out the HS Commons doors using the crosswalk in front of the high school.
- South town - Exit the MS front entrance or any south door and walk down the sidewalk to the designated crosswalk.

X No exit or entrance

= Allowable Crosswalk

PBIS - Positive Behavior Intervention and Support

This school year, the middle school will once again be using a Positive Behavior Intervention and Support program, otherwise known as PBIS. The purpose of the program is to reward students for positive behavior. Our program runs on a strike system and starts over every nine weeks. Students are given strikes for various negative behaviors and it is compiled on a spreadsheet per grade level. At the end of each nine weeks, any student who does not meet the strike threshold will get to participate in a reward activity. Those who have met the strike threshold, will not be able to participate in the activity and will be housed in a classroom working during this time. Below is a list of behaviors that are strike offenses. Ask your child if they have any strikes. Our first Rewards Day is tentatively scheduled for Friday, November 1st.

Offenses	Behaviors
Minor Offenses (Strike offenses)	1. Horseplay 2. Foul Language 3. Unprepared for class, tardy 4. Cell phone offense/Chromebook Offense 5. Chewing gum 6. Disruptive behavior, talking out, Acting out 7. Insubordination, Sleeping in class 8. Disrespectful/Dishonest behavior, cheating 9. Unkind behavior toward students
Major Offenses (Office Referral) (immediate 5 strikes)	10. Bullying 11. Vandalism 12. Violence/Assault 13. Cheating/Forgery - extreme level 14. Profane/Obscene language directed toward student/staff 15. Deadly weapons 16. Cigarettes/vape/drugs/paraphernalia 17. Safety threats

Academic Rewards System

Not only do we like to reward positive behavior but also outstanding academic performance. At the end of the 1st, 2nd, and 3rd quarters, we will have an honor roll breakfast celebrating the academic performance of our honor roll students. To be invited, 5th and 6th-grade students need to achieve B's and higher (no B- allowed), and 7th and 8th-grade students need to achieve at least a 9.0 GPA. Invitations will be placed in the student's lockers. If students achieve the honor roll all 3 nine weeks, they will be invited to a pancake breakfast during the last week of school. This is a great incentive and something for the students to work toward.

BAND BLAST OFF!

Incoming 5th Grade Band students: The 5th Grade Band is FORMED and you're officially IN THE CREW!

Welcome aboard, future rockstars of the 5th Grade Band! We're hyped to have you join our awesome crew!

While summer break is a blast, we can't wait to start making music together in the fall! Get ready for an epic adventure filled with teamwork, sweet melodies, and major fun!

5th Grade Summer Band Camp!

Want to get a head start and hit the ground running? Here's where the magic begins with instrument-specific training at our camp on:

August 5th, 6th, & 7th

9:00- 9:45 am: Flutes & Percussion

9:45-10:30 am: Clarinets, Trumpets, & French Horns

Stay in the Loop!

Never miss a beat! Sign up for **JH Band Remind** to get important updates:

Text @cavbandjh to 81010

Questions? We've Got Answers! Contact your Band Director, Mr. Ruckman:

Email: ruckman.dan@coldwatercavs.org

See you soon, future band superstars!

The TRADITION continues...PRIDE INSIDE!

Principal Jason Hemmelgarn

Hopefully this newsletter finds you all enjoying your summer and looking forward to the beginning another school year in a few weeks. There is certainly no shortage of activity in and around the school these past several days as everyone begins to prepare themselves for the start of the Fall season. Even though everyone's schedule is really starting to pick up and some would like to get in one more get-away weekend before school starts, please be sure to take the time to come on out and support the Coldwater Community Picnic and all the community activities that go along with that. August 1st - August 4th is a great time to participate and enjoy all the Pride and Spirit of Coldwater.

Communication venues, like the Cav Connection, are of the utmost importance to ensure parents, students, and staff members all work together as a cohesive unit to support the successful academic and athletic programs at the high school. Additionally, there is an Information Center located to the right of the door at the high school office containing forms, other sources of information and even extra copies of previously distributed information (ie: extra copies of the Cav Connection).

With any of the information that is detailed below, please don't hesitate to contact us here at the High School at 419-678-4821 should you have any further questions or concerns. Have a great final couple of weeks of summer vacation, and let all of us be extremely excited and come ready to have another outstanding school year. And, as always...Go Cavs!

Jason Hemmelgarn

High School Principal

August 8th and August 9th: High School Schedule Pick-Up (all day)

- Students may arrive at the high school during the hours of 8:00 am – 12 noon and 1:00 – 3:00 pm. either day to pick up their schedules. Students should also be prepared to pay course fees at this time.

August 8th: Freshman and New Student Open House

- We will again be offering an Open House for any incoming Freshman or new students to our school. Students and parents are both welcome to come in the High School to meet with office staff or just look around to find their lockers and classrooms for a smooth transition to the start of the school year. The times for the Open House will be **August 8th from 2:00 – 4:00 pm**, but should you have any conflicts, questions, or special requests, please don't hesitate to call the HS Office at 419-678-4821.

August 20th: First Day of School (8:13 a.m. – 3:00 p.m.)

- Students will be allowed admission into the building each day at 8:00 am with entry into the Commons, and those students riding buses may enter the school through the doors.
- Mr. Hemmelgarn, Mr. Goodwin, and Mrs. Kanney will meet with each grade level during the first week of school to explain the rules and procedures for the upcoming school year.

- Students attending Tri Star in the morning at Celina will depart Coldwater at 6:55 am. Students will be responsible for their own transportation to Coldwater. Morning Tri Star classes begin at 7:30 am. Students in the Tri Star afternoon classes at Celina will depart Coldwater at 11:05 am. Afternoon classes begin 11:45 am and transportation will return to Coldwater at 2:45 p.m. If students provide their own transportation to Tri Star classes at Celina they must secure permission through the Tri Star Office.
- Below contains all the information of class times for regular days, block days, and 2-hour or 3-hour delay days:

Period 8	2:38 – 3:00	

TRI-STAR STUDENTS - TWO-HOUR DELAY SCHEDULE

Tri Star students are expected to follow their home school bell schedules and attend all classes in which they are enrolled. Conflicts resulting from overlapping schedules do NOT exempt students from their responsibility for materials and assignments nor are the resulting absences counted toward the cumulative total as it relates to the attendance policy. All final arrangements will be made through the High School Office.

Don't forget to go to <https://coldwatercavs.org/> and sign-up for notifications. Under the NEWS click on School Delays and Closings

Welcome to the High School

Mr. Jack Hemmelgarn comes to us as a former Coldwater High School and Bowling Green State University graduate. He has taught all different levels of High School math over the past 4 years, with the last 3 years teaching at Celina High School. We are excited to have Mr. Hemmelgarn be a part of our High School staff. Congratulations....and Welcome Aboard!!

Summer 2024 Buckeye Boys State representatives from American Legion Post 470

On behalf of the teachers, administration and staff, we would like to congratulate Rudi Gross for his honor of being selected as Ohio Senator at Buckeye Boys State which was held at Miami University in early June. Rudi is one of two individuals to represent Ohio at the National Conference in Washington D.C. on July 19th-26th. To qualify to receive such an honor, members are interviewed by the American Legion. The

interview process involves rigorous questioning on the U.S. Constitution, citizenship, leadership and civic duties. Thirty students from around Ohio were interviewed.

Front Row: Andrew Moorman, Rudi Gross, Russell Moorman, and Brady Mathewson

Cavalier Athletic Report

Time for another tremendous Coldwater Cavalier Athletic Sports year. We have many exciting things we are looking forward to this next year and hope you are there to support our student/athletes on their journey. With that said, I hope you had a great summer with your family and remember, you still have a couple weeks left until school begins.

For all Cavalier Fans, be sure to visit our website at www.coldwaterathletics.org for any information you may need. We try to put every bit of athletic information on the site and strive to keep it current. You can get all of this years schedules here, keeping in mind they are subject to change. Probably the best place for information on the site would be to simply “mouse” over the “More” tab and scroll down to pretty much anything you may need from physical information, tickets, etc. Take time to explore the website as we take a lot of pride in it. We also appreciate our sponsors who help to keep the site going. Be sure to click on their ads to visit their sites also. We are currently averaging 30,000 page views per month which is tremendous. We were also ranked as the # 2 athletic website in Ohio and 22nd in the Nation.

We have had a few updates this off season. You will notice the bleachers at the stadium on the home side received a much needed painting job. Thank you to Do Right Painting and to Mike Seitz for putting the reserved seating numbers back on. We also put down new sideline turf on the visitor side at the stadium. This is to help prevent injuries to soccer and football players when they run out of bounds and slip on the worn out turf (concrete underneath). Another update you will notice in the winter season will be new Wrestling scoreboards. These are the 3-sided scoreboards that are used for District, State, etc. This is a much needed and improved item. Thank you to the Coldwater Athletic Boosters for purchasing the turf and wrestling scoreboards.

We would like to remind everyone that ALL season passes this year are sold online at www.coldwaterathletics.org. Simply “Mouse” over the “More” tab on the top of the home screen. When the dropdown box comes up, scroll down under “Cavalier Ticket Information”. To order, click “Cavalier Season Ticket Sales (Yearly, Fall, and Winter). Step-by-step instructions are available directly above this tab if needed under “How to order Season Passes Online”. If you need help, please stop in and let us help you. If you would like a hard pass for your online season pass you purchased, simply contact the High School Office and we will get you one at no cost.

Lastly, I would like to remind everyone of our Cav Vision live camera streaming for all athletic events in the Palace, Pit, and Cavalier Stadium. We have switched from NFHS to HUDL. NFHS reliability and service was getting very poor. HUDL was test ran this past year for basketball season for our teams and it was nearly perfect. Be sure to cancel your NFHS subscription or it will automatically renew. This gives you the opportunity to stream games live for those fans that are out of town, under the weather, or just cannot make it. There is a small subscription fee, but this option is available for Coldwater Cavalier Sports. For more information, go to www.coldwaterathletics.org. Mouse over the “More” tab and under “Athletic Websites of Interest”, click for Cav Vision. Cav Vision is sponsored this upcoming year by Lefeld Industrial & Welding Supplies. Thank You for making this product possible!

Go Cavs!

Eric Goodwin, Athletic Director/Assistant Principal

FFA MEMBERS ATTEND OHIO FFA CAMP MUSKINGUM

Eight Coldwater FFA members spent five days at Ohio FFA Camp Muskingum in Carrollton, Ohio from July 8-12. Alexis Coats, Savannah Diller, Ava Fortkamp, Lyla Fridley, Renae Huser, Heidi Klenke, Alexa Kunk, and Abby Will spent their time with over 150 Ohio FFA members in their camp colonies. Many events, like team building activities in Adventure Valley, leadership workshops, evening campfire reflection, dances, talent show, and water games, were led by the Ohio FFA Officer Team.

Other events, including Captivities, Envirothon activities, scavenger hunts, and night games, were led by the camp staff. The members were able to spend time boating on the water, playing in sports tournaments, or at the rifle, shotgun, and archery ranges. They were inspired by the keynote speaker, Dave Kohout, with his speech titled "Talk is Cheap."

They also got to spend the week with the National FFA Eastern Region Vice President, Morgan Anderson. Overall, to say they had fun is an understatement. They made many memories, and they are ready to go back next summer!

FFA OFFICERS ATTEND RETREAT AT INDIANA CABIN

On July 15-17, the 2024-2025 Officer Team of the Coldwater FFA Chapter had a great time on their retreat. They learned more about each other through playing "get to know you" games. They spent their time planning and brainstorming for the upcoming year.

While ziplining they had many memories and laughs, and probably spent way too much time in the water playing Spikeball. During the evenings, the team spent their time talking and making s'mores around the fire. The officer team is excited and ready for their new ideas this year.

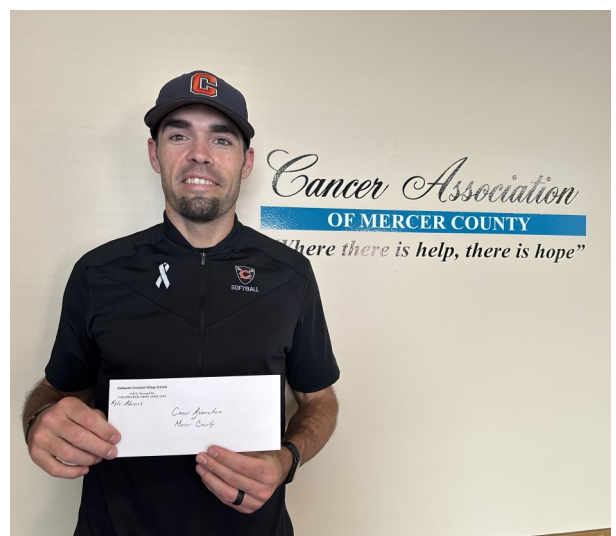

2024 Strikeout Cancer Classic Softball Tournament

The softball program made a \$2,000 donation to the Cancer Association of Mercer County after raising funds at this year's Strikeout Cancer Classic tournament. After 3 years of hosting this tournament, a total of \$6,220 has been raised for local cancer associations.

The Lady Cavs defeated Sylvania Southview, 8-0, in the Semi-Finals and Ft. Recovery, 10-8, in the Championship to win their 3rd consecutive Strikeout Cancer Classic title.

A huge thank you to everyone who made this year's tournament a success!

Dear Parents,

As we approach this point of summer break, we wanted to share some exciting news about the cafeteria for the upcoming school year. Our team has been working hard to plan and prepare healthy and delicious lunches for your children. We're pleased to announce that this school year, our cafeteria will continue to offer a variety of menu options. From our fresh salad bar for grades 7-12 along with fresh fruits and vegetables, homemade soups, beef and noodles, fresh taco meat, and homemade Turkey to all grades. We are committed to providing nutritious and satisfying meals to fuel your child's day.

We will also continue our efforts to promote sustainability and reduce waste in our cafeteria. Students are encouraged to place unopened food or drinks in the sharing container. We will continue using reusable utensils and trays, as well as breaking down cardboard boxes for pickup or repurposing them along with our plastic containers throughout the school.

Our goal is to offer a welcoming and inclusive environment for all students, ensuring that every child has access to a nutritious meal each day. Our dedicated cafeteria staff is committed to providing exceptional service and creating a positive experience for your child.

This school year, we will be implementing a new app/website called Health e Pro menu planning. This tool will allow you to view not only the menu but also the nutritional values of your child's daily diet, including allergen information. This will be accessible to all families. Feel free to search for Health e Pro to preview its features. We will provide more information about this new system soon.

If you need to apply for FREE AND REDUCED meals for the coming school year, you may do so now after July 1. You can submit an application online through your PaySchools Central account after registering your students on their website, pick one up at any school office, or print it from the district website. To set up a PaySchools Central account, follow these steps:

1. Go to payschoolscentral.com
2. Register your students
3. LOG IN
4. Fill out the application or click "Free/Reduced Meal application" and begin to fill out.

You can also add money and track your child's lunch account from this platform, as well as set limits for certain items like à la carte options and extras. Our lunch prices will remain the same for the 2024-25 school year:

- K-8 \$2.15 and 9-12 \$2.25. An extra main item is \$1.25.
- 2 juices also take the place of milk.

If you have any questions or feedback, please don't hesitate to reach out to us. Thank you for your continued support, and we look forward to sharing more delicious meals with your children in the coming school year.

Coldwater's Cafeteria Team

Coldwater Cavaliers Athletic Booster Club

COLDWATER ATHLETIC BOOSTERS

WHO WE ARE:

The Coldwater Athletic Booster Club supports the entire Coldwater Athletic Department and all athletes by promoting the athletic programs, athletic scholastic endeavors, and sportsmanship within the school system. We help improve athletic facilities and equipment used for athletes and other residents of the Coldwater School District. **Anyone can become a member of the Booster Club either as a board member or as a booster member.**

WHAT BEING A BOOSTER BOARD MEMBER MEANS:

The Booster Club Board consists of volunteers who have agreed to give of their time and talents to act in an advisory role regarding the support of our athletes and athletic department. The board meets once a month to review requests and upcoming projects. We are always looking for new members to serve on the board. If anyone is interested in becoming a Booster Board member, please contact any current Booster Board member, contact us on Facebook or let us know on the contribution form.

CURRENT BOARD MEMBERS:

Jared Roessner (President)	Amanda Ahrens	Leslie Krugh
Leah Bruns (Vice President)	Jason Bruns	Andrea Macias
Jackie Homan (Secretary)	Nathan Burtch	Liz Niekamp
Jayne Moorman (Treasurer)	Stephanie Cron	Landon & Ashlyn Schlater
	Tamra Dues	Amanda Schoenherr
	Kyle & Abbie Homan	Troy Steinbrunner
	Mike & Sarah Klenke	Brian Winner

WHAT BEING A BOOSTER MEMBER MEANS:

By donating to the Coldwater Athletic Booster Club, you are automatically considered a Booster Member. Each donation level holds its own special perks, but every level of sponsorship means that you support our local student athletes. For those of you who would like to do more than donate, there is the opportunity to become a Coldwater Athletic Booster Club Board Member.

PROJECTS DONATED TOWARDS:

Below is a list of the various projects within Coldwater Athletics that the Boosters has donated towards this past year:

Captain Cavalier Mascot	Football Meal & Gatorade donation	Soccer Meal
Rest of Track Hurdles	Volleyball Meal and uniforms	Swim Team Meal
Girls Golf Meal	Shoot-A-Way Basketball System	Softball Team Meal
Diamond #4: added in Softball Field Fencing		Wrestling Scoreboard and Team Meals

FUNDRAISERS:

Keep an eye out for these upcoming fundraising events and many more:

*Booster Clothing Drive
