Coldwater: Strong Today, Planning for Tomorrow

Dear Families and Community Members,

As we move into October, I am once again filled with gratitude and pride for the Coldwater Exempted Village Schools community. The dedication, kindness, and commitment of our staff, students, and families continue to set our district apart and make Coldwater an incredible place for learning and growth.

Report Card Results

I am proud to share the results of this year's Ohio School Report Card:

- Our district again earned an impressive **4.5-star rating, significantly exceeding state standards.**
- Our **Performance Index improved and remained above 100**, demonstrating consistent academic strength.
- Building by building, the **Elementary earned 5 stars**, the **Middle School received 4.5 stars**, and the **High School received 4 stars.**

It's important to remember that the state's rating system is built on complex algorithms. For example, the **Progress component** is based on a **three-year average**, so growth takes time to show in the data. Even with these complexities, our results are a strong testament to the efforts of our students and staff.

We are drilling deeply into the data to identify where we can continue to improve. I believe Coldwater is **on the cusp of achieving a 5-star district rating**—a distinction reached by only **5.4% of districts in Ohio.**

More Than Test Scores

While these results are worth celebrating, we know they only measure a snapshot of our students' performance on tests taken once a year. At Coldwater, we believe education is more than test scores. We remain committed to a **holistic approach**, focusing on the whole child—academically, socially, and emotionally.

Our mission is clear: to be **student-centered and relationship-driven.** We want every student to feel valued, chal-

lenged, and supported as they grow in both knowledge and character.

Investing in Our Future

As we celebrate academic success, we are also formalizing **plans to update our facilities infrastructure**. At the same time, we are developing a **10–15 year roadmap** to ensure viability and sustainability for the future. This includes **putting away reserves for areas of need** while making upgrades today.

We are engaging with and exploring the insights of **third-party experts** to help us assess, prioritize, and plan in a way that ensures we remain financially responsible while continuing to meet the needs of our students and community. This work will be ongoing, but it is essential to protecting the long-term health of our district.

Enhancing Communication

Listening to feedback, we are also **updating how we share information** with you. Starting this month, we will produce **two Cav Connection newsletters each quarter**:

- A **mailed version** that is concise—under 15 pages—with the most pertinent information.
- An **online version** that will include all the supplemental details our community has grown accustomed to, typically in the **40–60 page format**.

This approach provides the best of both worlds: a **cost savings** for the district while still delivering the depth of information and transparency that our community values.

The Heart of Our Success

The real strength of Coldwater Schools lies in the daily interactions happening in our classrooms, hallways, and fields. The culture we've built together—where relationships come first—remains our most important asset. As I often say, the culture of a school is not just one thing; **it is the only thing**.

Looking Ahead

I could not be prouder of our students and staff. Their resilience, creativity, and determination inspire me daily. Thank you for trusting us with the education of your children and for being partners in this journey. Together, we will continue to Protect the Shield and ensure that Coldwater remains a place where every student can thrive—while **significantly exceeding state standards** year after year.

With deep appreciation,

Doug Mader

Superintendent

Coldwater Exempted Village Schools

FROM THE DESK OF THE TREASURER, JENN MCCOY:

Forecast Presentations

The Ohio Legislators have changed the format and dates for financial forecast submission. I will be presenting our current forecast at our October 14 board meeting. This forecast will include the forecasted income tax revenues from the recent levy passage. My most recent forecast was 98.7% accurate for revenues and 99.6% accurate for expenditures.

Legislative & Policy Update: How State Property Tax Reform May Impact Schools

This week brought several important developments that could affect how our schools are funded. We will continue to monitor these bills and provide updates. Your awareness and engagement are vital as these decisions could shape the future of **school funding and local property taxes.**

House & Senate Override Governor DeWine’s Veto Item No. 66

Both the House and Senate have now voted to override Governor DeWine’s veto of Item No. 66 in the biennial budget bill. As a result, Coldwater Schools will no longer have the ability to renew our Emergency Levy, leading to an annual revenue loss of \$550,000 beginning in fiscal year 2028. In addition, the state’s reimbursement of the property tax rollback for Coldwater taxpayers has been eliminated, shifting a greater financial burden directly onto our local community.

1. Property Tax Reform Hearings

- Lawmakers are actively debating **House Bill (HB) 186** (“Inflation Cap Credit”) and **HB 335** (a larger property tax overhaul).
 - ◇ **HB 186:** Would apply **retroactively** to 2023–24 reappraisals, expand to Joint Vocational School Districts, require tax bill itemization, and remove state funding offsets. This could create serious budget and legal challenges for our school.
 - **Coldwater Schools is projected to lose \$686,704 in Tax Year 2025, \$1,054,237 in Tax Year 2026 and \$1,054,237 in Tax Year 2027 which is 11%, 14.8%, 14.8% respectively. This would be detrimental to our finances.**
 - ◇ **HB 335:** Could become the main tax reform bill. A substitute version may place new limits on **inside millage growth**, which could reduce school revenue in the future.
- Other bills under discussion include:
 - ◇ **HB 129:** Would adjust the 20-mill floor by counting all fixed-sum levies.
 - ◇ **HB 309:** Would allow county budget commissions to reduce certain school levies they view as “excessive.”

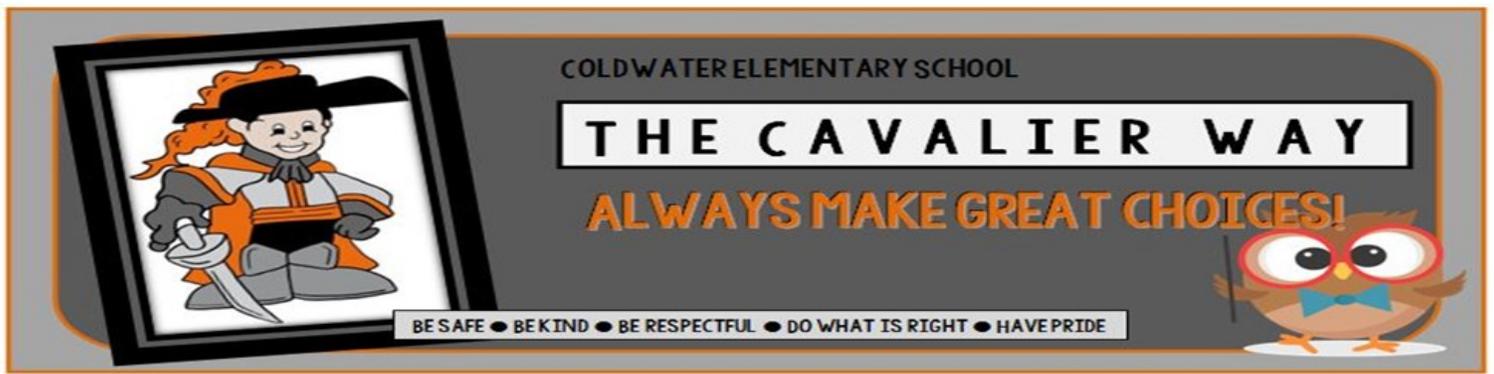

2. Why This Matters for Schools

- Property tax changes directly affect how much funding districts receive for classrooms, staff, and programs.
- Some proposals under consideration could **reduce school revenues** and shift **more financial pressure onto local taxpayers** or district budgets.

UPCOMING BOARD MEETINGS:

The Coldwater EVSD Board of Education will meet the following evenings at 6:00 PM in the Cav Room:

October 14, November 11, December 9

Elementary News:

Mike Etzler - Elementary Principal

Coldwater Elementary has had an AWESOME start to the 2025-26 school year. I want to thank all of the parents/guardians of every elementary student for your support and help in preparing your child(dren) over the summer for the school year. Everyone here at Coldwater Elementary tries to see the positive in each day, and find the silver lining in all situations. I want to thank you for your help working and communicating with us to ensure the well being of your child(ren). As we progress throughout the school year, please continue to educate your child on healthy habits that will help to ensure that we all stay safe mentally and physically. We are all better together and we need to support each other TOGETHER.

Each day our Little Cavs are expected to use “The Cavalier Way” in their actions, words, and behavior by Being Safe, Being Kind, Being Respectful, Doing What Is Right, and Having Pride. As we know it not only takes a school, but more importantly a family and community to raise an OUTSTANDING child! Please stress and continue to implement “The Cavalier Way” at home so that your child will continue to develop positive words, actions, and behaviors. What we do is greater than what we say, as our actions speak louder than words. We want all of our students’ actions to demonstrate amazing character!!! Please teach and reinforce with your children this quote, “Knowing what is right doesn’t mean much, unless you do what is right!”

Along with “The Cavalier Way”, we want every student to give maximum effort and try their best in all they do. Our focus theme for this year is, “In every way, grow better each day!” We want to stress to our students that although achievement is important, the most valuable thing is having a growth mindset and growing to be better than you were yesterday in all areas of life! We want our Coldwater Elementary students to also accept, include, and always find the greatness in others!

Parent and teacher communication is vital to the success of every student. Please do not hesitate to contact your child’s teacher with a concern or advice on academic/behavioral/social/emotional strategies and interventions. The Coldwater Elementary Team together with parents want to do what is best for kids and for your child. It is very hard to achieve success alone, but when a team is involved, educators and parents, success can be achieved. Our team looks forward to a continued amazing school year doing things “The Cavalier Way”!

Arrival/Dismissal Reminders

These reminders/expectations are set up to keep all students and adults safe. Please follow these expectations:

All Coldwater community members who are driving near the school during arrival (7:45-8:20 a.m.) and dismissal (2:55-3:20 p.m.) times, please drive slowly, carefully and be mindful of pedestrians traveling across crosswalks. This is a school zone and the speed limit is 20 m.p.h.

Adults and students, please use the CROSSWALKS when crossing Vine Street especially during arrival and dismissal times. Little eyes are watching what you do. Please set great examples for them.

ARRIVAL

If your child is not a bus rider, we are asking them to enter at the assigned doors:

- 3rd & 4th Grade Students: Circle Drive Door #13 (Pit)
- Kindergarten & 2nd Grade: Elementary Playground Door #11
- 1st Grade: Circle Drive Door #12 (Elevator)

- * **If you are parking your car to walk your child across Vine St. in the morning, please ONLY park in the Visitor's Parking Lot. DO NOT park in the numbered spaces as those have been reserved for Coldwater Elementary Staff. (Staff arrive at various times throughout the morning.)**
- * **Please remember that parents ARE NOT allowed to walk their child(ren) to the classroom without permission. If you need something from the office, please stop at the office window.**

Again, our goal is to get all of our students into the elementary school in the safest way possible.

DISMISSAL (Car Rider) REMINDERS

- The best and safest way to pick up your child at the end of the day in a car is to use the Circle Drive line.
 - If you want to park and walk across Vine St. to pick up your child, you may do so. We ask that you park in the Visitor's Parking Lot.
 - If you do park in the lot, we ask that you walk across at the crosswalk to pick up your child. Please do not tell your child to walk over to your car in the parking lot on their own. This is not safe.
 - When driving through the elementary parking lot...SLOW DOWN and PAY ATTENTION. When exiting the lot, please do not turn right. You may only turn left as we have many students walking to the CPAC and track/football field.
 - If you are waiting for an elementary or middle school student in the car rider line or get out to help your child get in or buckle up, please pull up in front of the red cone so others waiting to pick up their child(ren) can continue to move through the line.
- * **Together, we all have the collective responsibility to keep all of our children safe during dismissal time.**
We want to continue to have an awesome and safe school year! Please help us accomplish this goal!

Little Cavs...BIG Character!

PBIS: Cavalier Way Donation Drive

In lieu of having our elementary students sell items to do a fundraiser for our PBIS program this 2025-26 school year, we again held our "**Cavalier Way Donation Drive**" and asked for the community's support of monetary donations. With support, we are able to fund student and teacher supplies, resources, and rewards/incentives that will support this mission for our students. Many of the donations will be used to purchase items to be used in the Cav Coin Store where students can shop as a reward for exemplifying "The Cavalier Way." Also, with these generous donations Coldwater Elementary is able to fund character education and social emotional learning curriculum programs/materials for our teachers. We would like to thank all of those who have donated for their support of our PBIS "Little Cavs, BIG Character" program. If you would still like to donate, please bring your donation to the elementary office or you may send it to this address:

Coldwater Elementary
% Mike Etzler - Cavalier Way Donation Drive
310 N. Second St.
Coldwater, Ohio 45828

Coldwater P.T.O.

The Coldwater PTO continues to be an amazing support to our staff & students with funds to purchase supplies etc. for classrooms and our school, as well as helps pay for student field trip fees. As always, a huge thank you for all of their time and efforts as they do so much for Coldwater Elementary! The PTO will also continue to sponsor the following events this school year:

Upcoming Events:

- October 2, 2025 Custodian Day
- October 20, 2025 Halloween/Harvest Party (K/1st)
- November 2025 Subway, chips and dessert during parent-teacher conferences
- November 2, 2025 Grandparent Bingo – 2nd, 3rd and 4th Grade
- December 2025 Teacher Breakfast
- January 18, 2026 Mother Son Bowling Event
- February 15, 2026 Father Daughter Event
- March 15, 2026 PTO Carnival
- May 2026 Teacher Appreciation Week, Right to Read Week, Summer Bridge Books, School Supply Kits

If you are interested, please get involved in the PTO. You can visit the website at:

<https://cw.noacsc.org/parents/parent-teacher-organization/>

Coldwater Elementary Facebook Page

Please join our Coldwater Elementary Facebook page to stay connected to all of the events, announcements and awesome things happening at Coldwater Elementary! In your Facebook app, search “Coldwater Elementary” and look for our “Little Cavalier” logo. Once you click on our page, then click “Follow”. We would love for you to join!

After-School Questions

Asking “How was school today?” might not get you far if you want to know in greater detail how your child’s day at school went. Instead ask questions like these for a better picture of your Little Cav’s day:

- ⇒ What’s the coolest thing that happened? What wasn’t so cool?
- ⇒ Pretend you’re the teacher. How would you describe the day?
- ⇒ What made you laugh today?
- ⇒ What was the most creative thing you did?
- ⇒ How were you kind or helpful today? Was anyone kind or helpful to you?
- ⇒ Describe a book you enjoyed today.
- ⇒ Tell me what you learned that you’d like to know more about.
- ⇒ Let’s see what you worked on today?
- ⇒ Show me what you have for homework?
- ⇒ Tell me what you learned that you would like to know more about?

CAVALIER “Ready to Learn” TIPS

(U.S. Department of Education: Reading Tips for Parents)

“The Five Essential Components of Reading”

Reading with children and helping them practice specific reading components can dramatically improve their ability to read. Scientific research shows that there are five essential components of reading that children must be taught in order to learn to read. Adults can help children learn to be good readers by systematically practicing these five components:

- ◇ Recognizing and using individual sounds to create words, or phonemic awareness. Children need to be taught to hear sounds in words and that words are made up of the smallest parts of sound, or phonemes.
- ◇ Understanding the relationships between written letters and spoken sounds, or phonics. Children need to be taught the sounds individual printed letters and groups of letters make. Knowing the relationships between letters and sounds helps children to recognize familiar words accurately and automatically, and “decode” new words.
- ◇ Developing the ability to read a text accurately and quickly, or reading fluency. Children must learn to read words rapidly and accurately in order to understand what is read. When fluent readers read silently, they recognize words automatically. When fluent readers read aloud, they read effortlessly and with expression. Readers who are weak in fluency read slowly, word by word, focusing on decoding words instead of comprehending meaning.
- ◇ Learning the meaning and pronunciation of words, or vocabulary development. Children need to actively build and expand their knowledge of written and spoken words, what they mean and how they are used.
- ◇ Acquiring strategies to understand, remember and communicate what is read, or reading comprehension strategies. Children need to be taught comprehension strategies, or the steps good readers use to make sure they understand text. Students who are in control of their own reading comprehension become purposeful, active readers.

“Simple Strategies for Creating Strong Readers”

- Invite your child to read to or with you every day.
- When reading a book where the print is large, point word by word as you read. This will help the child learn that reading goes from left to right and understand that the word he or she says is the word he or she sees.
- Read a child’s favorite book over and over again.
- Read many stories with rhyming words and lines that repeat. Invite the child to join in on these parts. Point, word by word, as he or she reads along with you.
- Discuss new words. For example, “This big house is called a palace. Who do you think lives in a palace?”
- Stop and ask about the pictures and about what is happening in the story.
- Read from a variety of children’s books, including fairy tales, song books, poems, and information books.

CAVALIER “Wonderful Wordplay”

(From: “Reading Connection: Beginning Edition”)

Use these activities to build your child’s phonemic awareness - which is the ability to hear sounds in words. Phonemic Awareness is an important literacy skill that creates fluent readers.

- Choose a three-letter word, such as *cap*. Have your child substitute different beginning sounds from the alphabet to make new words (*lap, map, nap, rap, sap, tap, zap*). How many words can they think of?
- Pick a long word and tell your child to clap once as they say each syllable. For *mozzarella*, they would clap four times: *moz-za-rel-la*
- Ask your child to say a word without the first sound. Example: “Can you say *sit* without the *s*? (Answer: *it*)
- Think of a word, and give your child a “sound” clue to figure it out. For instance, “I’m thinking of a word for something that you chew but don’t swallow. The word has an *uh* sound in the middle.”
- (Answer: *Gum*)

STEM

The students started a STEM/ Problem Based Learning project that was inspired by their curiosity of one of my favorite topics.....beekeeping! I shared with my students that I had my biggest honey harvest ever and have a slight problem — I am out of jars/bottles/containers to bottle the honey in. The kids jumped into the PBL with great enthusiasm completing tasks related to beekeeping and incorporating our 4th grade Math standards aligned with Chapter 1 and Numbers.

Listed below is an overview of the tasks and what we have been working on.

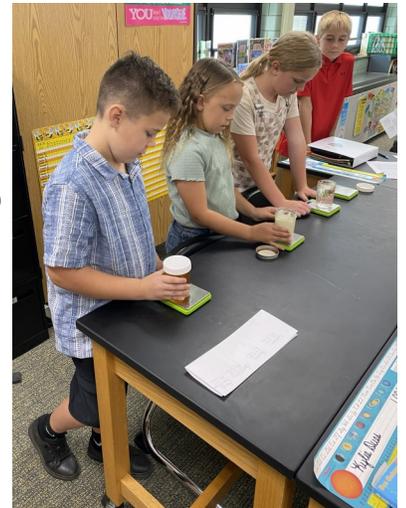

PBL - Presenting a real-world problem that needs to be solved.

- Task 1 - Students were presented with a jar of honey. They needed to calculate the mass/quantity of honey that is in their jar. How many jars/containers will we need to contain 246 pounds of honey? The students used a scale to find the mass in pounds/oz. They also compared that to the weight of the same container holding water and other liquids with varying viscosity.
- Task 2 - Students had to BEE creative and design their own honey label for their jar including necessary information such as weight, contact info and contents
- Task 3 - Research and calculate the cost/or price for the honey in the amount that they have.
- Task 4 - Calculate the total amount of honey that we have and how much we can sell it for.

Devise a marketing plan or strategy to sell their honey.

Calculate the total amount of money that we earn from selling the honey.

- Task 5 Brainstorm ideas of what to do with the money that we earn. Students came up with really good ideas for this - some including:
 1. Give it back to the bees, donate it to a local charity or beekeeping club
 2. Buy some more jars and containers Buy classroom supplies or materials to help
 3. Teach others about the importance of pollinators and bees.
 4. Purchase labels - printed from the designs that they created

Little Cav Kinders!

The Kindergarten Class of 2038 recently had a photoshoot in their brand-new Little CAVS shirts! Parents had the opportunity to purchase these shirts for students to wear on field trips and other special events. Proceeds from the fundraiser are helping provide materials for class projects this school year.

A big thank you to all who purchased a shirt! Also, a special shoutout to Albert's for printing the shirts, as well as the Coldwater Eagles for generously donating several to ensure that every student received one. We truly appreciate your support!

Thank you to Mr. Etzler and Rusty who joined us for our photo, and to Maureen Feltz for photographing.

Check this out!

On September 18th, we took a field trip to Brumbaugh Fruit Farm. Students attended apple school, bee school, picked a pumpkin, and explored the fun on the farm! A special thank you to our chaperones!

3RD GRADE CAVS

What's happening in 3rd Grade

What a great start to the school year our third graders have had! Students traveled to Carillon Historical Park in Dayton, Ohio and learned about transportation, invention, and settlement history. What a fun and educational day! Thank you to Coldwater PTO for covering our general admission to the park!

CAV P.R.I.D.E.

Personal Responsibility In Developing Excellence!

Cavalier Community,

The first seven weeks of school are behind us, and we are already nearing the end of the first nine weeks. October also brings the conclusion of our fall sports seasons and the much-anticipated 8th Grade Washington, D.C. Trip. We hope you have noticed your children settling in, finding their routines, and working toward a healthy balance of schoolwork, extracurriculars, friendships, and family time.

September Cav PRIDE Awards (Personal Responsibility In Developing Excellence) Each month, our teachers select three students from each grade level to receive the Cav PRIDE Award. This award highlights students who are demonstrating excellence in themselves and inspiring it in others. The recipients are recognized in front of their classmates, receive a certificate, and are treated to a pizza lunch. Congratulations to our September award winners in grades five through eight who have already set such a strong example for their peers.

- 5th grade - Morgan Schwieterman, Daisy Everman, Eli Eyink
- 6th grade - Scarlet Schoenherr, Nessa Link, Alan Vargas
- 7th grade - Jack Link, Paige Moorman, Mia Rutschilling
- 8th grade - Brooke Schwieterman, Roman Bruns, Max Galyardt

8th Grade Washington D.C Trip Our 8th graders have been especially busy preparing for their Washington, D.C. trip. Throughout the first nine weeks, students have been learning about our nation's capital while completing group projects focused on monuments, museums, or memorials they will visit during their trip. They will depart on Monday, October 20, and return Friday, October 24. As part of their preparation, students will also participate in the annual D.C. Essay Assembly on Tuesday, October 16, where they will share their essays on patriotic themes with the student body and a panel of judges. The top four students will earn the honor of placing the Coldwater wreath at the Tomb of the Unknown Soldier in Arlington National Cemetery. That same evening, families and community members are invited to the Auditoria at 6:00 p.m. to view the projects created by the students. The excitement is building, and this year's trip promises to be another outstanding experience for our students.

Lego Robotics Another area where our students are shining is through Lego Robotics. This year we have three teams—representing 5th, 6th, and 8th grade—with nearly 25 students participating. The theme for this year is “Unearthed,” which challenges students to explore the past, uncover hidden stories, and use coding and engineering to bring their Lego robots to life. We are grateful for the many parent volunteers who help make this program possible. The students are preparing for competitions later this year, and we wish them the very best as they work together to create, problem-solve, and compete.

PBIS Update The first PBIS period ended on Friday, September 26, and we are proud of how our students are working to demonstrate positive behavior both in and out of the classroom. This success reflects a true partnership between home and school, and we sincerely appreciate the support you provide in helping your children grow into respectful, responsible role models. Students are working toward the 1st Semester PBIS Rewards Field Trip scheduled for January or February.

To attend, students must qualify during two of the three PBIS periods. Please continue encouraging your child to give their best effort in both academics and behavior—we know your support makes a big difference.

Fall Sports Teams Our fall athletic seasons are in full swing and will be wrapping up in just a couple of weeks. It has been exciting to see such a high level of participation, with nearly 60% of our junior high students involved in cheer, cross country, volleyball, or football. When we include soccer, that number climbs closer to 70%. We are extremely proud of the commitment our students have shown to their teams and the positive impact this involvement has on school spirit, engagement, and overall mental health. Thank you to our parents for encouraging and supporting your children to take part in these programs—their involvement truly makes a difference.

As we move into the heart of the school year, we are grateful for the ongoing partnership between our families, staff, and community. Your support allows us to provide our students with meaningful experiences both inside and outside the classroom, and together we are helping them grow into responsible, caring, and successful young people. Thank you for all you do to make Coldwater Middle School such a special place for our students to learn and thrive.

Go Cavs!

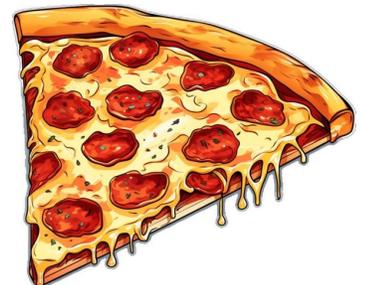

Dan Pohlman, Principal

Coldwater Middle School

Choral Notes

Pizza Cards Sale

The annual Choral Department Pizza Card sale begins Tuesday, October 21st and will run for 2 weeks. The Pizza card features a Buy One, Get One Free Deal from: The Celina Wine Store, Dominos, (in Celina) Villa Nova Pizza and Carry Out in St. Marys and the Philothea Country Club. The card also offers a Buy One, get \$5 off deal from Southside in Coldwater. Cards sell for \$15 each and are valid until April 23rd, 2026. You can get 15 deals per card.

FROZEN JR TICKETS NOW ON SALE!!

The 4th and 5th Grade students have been working so hard on this year's musical production of "FROZEN" JR. It is going to be an awesome production! Again this year, we are offering tickets for presale but no weekend passes. What is made each year is what we use to pay for licensing, set materials, props and other expenses involved in producing and presenting a show at this level.

Ticket sales will be as follows:

Pre-Sale tickets available: \$8 for Adults

\$7 for Students

This is **per show** so be sure to order enough tickets for the number of shows you plan to attend!! There is no reserved seating. All seats are first come first serve. Show dates and times: Thursday, November 20th at 7:00, Friday, November 21st at 7:00 pm (If we are in football playoffs, this show will be canceled), Saturday, November 22nd at 2:00 pm and Sunday, November 23rd at 2:00 pm

Admission at the door will be \$10 for everyone attending without a pre-sale ticket regardless of age (pre-school age and older...basically if your child will be sitting in a seat, they need a ticket)

If you are interested in purchasing tickets, please fill out the attached form and send it back to school with your child along with cash or a check made out to Coldwater Schools. Forms are to be brought to Mrs. Petersen. Or, you can come to the elementary office and Amanda Sutherin will take care of your purchase.

There will be a bake sale again this year. All items are for a donation at this table. We will also have Break-A-Leg gifts for purchase along with Gold Stars. You are welcome to purchase items at this table for that special cast member!

Remember, the money paid to see the show goes towards licensing, sets, supplies and costume pieces. We understand it does get costly to see the show with a family but it is supporting a great cause! If you have any questions, please email me at petersen.denise@coldwatercavs.org or call 419-678-2613. Also, check us out on Facebook: **Coldwater Elementary School Drama**. Like our page and get **any updates that are posted there as well.**

Thank you!

Denise Petersen

The TRADITION continues...PRIDE INSIDE!

Principal Jason Hemmelgarn

With the first 9-weeks almost complete, I would like to complement the students and staff on another outstanding start to the school year. There still continues to be many extra challenges for all students, parents, and staff this school year, but wanted to say a big Thank You to everyone for their extra effort, cooperation, and respect for one another. Your continued actions are certainly appreciated.

We would also like to take this opportunity to Thank Coach Houts and The Cheerleaders for all they do on a daily basis - signs on the lockers and in the halls, great school spirit, and recognition and enthusiasm for our many athletes. Their hard work and love for The Cavs should never be taken for granted.

Also, Thanks again to Connie Heinrichs for her always Inspirational Bulletin Boards – very much appreciated.

Thank You Ladies!

Many great things are happening here again in the High School this fall, thanks to all of those who put in so much time and effort to make it all possible!

Go Cavs!...

J Hemmelgarn, HS Principal

Monitoring Student Performance/Progress:

CHS continues to maintain our parent Progressbook login access on our school website (found at cw.noacsc.org).

Should you have any difficulties accessing your child's information, please contact the HS Office at 419-678-4821.

In addition, the teachers may also communicate by email, phone call, etc. to the parents of students that currently have a D or F average at specified 3-week intervals. Conversation from those contacts can pursue if need be.

Senior Citizen Breakfast

Happy to announce that we are tentatively planning for the Senior Citizen Breakfast to be back on again for this year. Please mark your calendars for Wednesday December 3rd.

Parent – Teacher Conferences

The high school staff will be available the night of Tuesday, November 3 for parent-teacher conferences. Parents should contact Gretchen Hoyng or Kathy Bohman at the high school office to arrange times between 4:00 – 7:30 p.m. to meet with individual teachers

Save A Life Distracted Driving Event

Thank you to Coldwater PD, Coldwater Eagles, and Coldwater American Legion, along with Rooster Joes for funding and sponsoring the event. Seniors, Juniors and Staff had an excellent learning experience!

Congratulations to the students selected to the 2025 Homecoming Court!

2025 Homecoming Court (to the left)

Boys: Caden Obringer, Trent Westgerdes, Caleb Schroer, Nolan Mescher, Ty Wenning

Queen Kelly May and King Trent Westgerdes

Cavalier Athletic Report

Hard to believe we are closing in on the tail end of the Fall Athletic Season. What a start we have had to our 2025-2026 athletic year. At the time of press, we are getting ready for tournament seed meetings for Soccer, Cross Country, and Volleyball. Boys and Girls Golf have already wrapped up their seasons and Football is well into the 2nd half of their season.

I would like to give a huge shout out to the Coldwater Athletic Booster Club. This group of people work their tails off but yet make it so much fun in doing so. Their efforts help to financially support the Coldwater Athletic Department and provides many needs for your student/athletes. Often taken for granted, this group is extremely important to our district. On Friday, Sept 19th, they held their 2nd Annual Booster Bash. This was a great night for the Coldwater Community as it allowed anyone to come out to the park, enjoy some music, have some food/drinks, and simply enjoy themselves. It seems like a simple thing to put something like this together, but I have seen the work they do and it is tremendous. Again, Thank You to our Coldwater Athletic Booster Club!

Tournament season is approaching fast with Golf already teeing it off at the Sectional/District tournaments this past week. Reminder to check our website for updated tournament information as we get it. Be sure to stop out to Cavalier Stadium also as we will once again host the Coldwater Lions Cross Country Meet (Oct 4th) and the MAC League Cross Country Meet (Oct 11th). Both meets begin at 9:00 a.m. from the practice field.

We have added a new Athletic Website at www.cwcavsathletics.org. Be sure to check it out. One nice thing about the new site is the Composite Schedule option. Clicking on this allows you to view each months schedule in calendar format with all sports being included. You can also pick and choose which teams you want to view. We have also added all of our fall rosters and photos to each team. Once we get the winter sports photos and rosters, those will be added as well.

Along with our new athletic website, we have a new Athletic App. Simply search your App Store on your phone for Coldwater Athletics. Then download the app with the Cavalier Shield. Be sure to accept notifications. This is a complete app of our website. Allowing notifications will allow you to get notices when scores are in and also when the games start. We want to Thank the businesses that have sponsored this app for our community. I know it is a pain for the businesses when they get asked all of the time to donate, but I also believe in making sure they get their support on our end when they donate to the athletic department. This is one of the areas the businesses give to us and we try to give them support as well.

We would like to remind everyone to keep following our website at www.cwcavsathletics.org. We try to keep this site up to the minute with schedules, features, records, scores, etc. This has been a challenging year with keeping the schedules current however due to the many changes and the changes in software being required by the OHSAA. If you notice something, please let us know. I would also like to point out the "News Feed" on the new website. When you go to the main page, simply scroll down to "News Feed". Good information to check out here. I would encourage you to check out the website and just explore around. It will give you everything you need to know about Cavalier Athletics.

Our new Palace Scoreboards have been a huge success. If you would like to advertise on them, please let me know. I would like to Thank All of our local businesses for helping make this happen. If you haven't seen it, be sure to come in and check it out. I'm learning more and more everyday about what it can do. We are also looking at converting our Stadium Video board over to the same software that is in the Palace. This will allow for much great viewing and also for even better sponsorship for our businesses. Thanks again to the local businesses for making these much needed upgrades possible!

Go Cavs!

Eric Goodwin, Athletic Director/Assistant Principal

FFA Members Kick Off the New School Year from a Successful Summer!

This summer there was no shortage of FFA activities that our members took part in! Members volunteered to help run the ice cream stand during the Coldwater Community Picnic. Also during the picnic, many members helped represent the chapter by being on our parade float. This year our float's theme was "Agriculture Feeds A Village", which won 1st Place Junior Float in the parade.

FFA Members at the Mercer County Fair

At the 2025 Mercer County Fair, local FFA members received various awards for their projects. Many members received outstanding ribbons for their various shop and crop projects. Numerous members also brought in livestock projects. These members work very hard all summer to have their animals ready for the fair. Many FFA members had great success in the livestock shows this year. Congrats to everyone on another successful fair!

Herdsmen Awards

- Beef - Owen Fennig
- Beef - Grace Siegrist
- Dairy - Mandi Hart
- Dairy - Kennley Siegrist

Showman of Showmen Contest

- Mandi Hart - 2nd place Senior Division

- Best in Class Green
Beans - Kirsten Hueing
- Best in Class Roma To-

Mercer County Soil Judging Competition

On September 19th, FFA members competed in the Mercer County Soil Judging competition, which is organized by the Mercer Soil and Water Conservation District. All freshmen members competed in the Rural Soils contest, where they judged the soil samples based on their ability to sustain crops. The team of Owen Heitkamp, Brent Heuing, Dillan Wenning, and Sam Finke placed highest for our chapter.

We also had members compete in the Urban Soils competition, which requires the soil samples to be studied from a non-farm perspective. FFA members Keaton Tobin, Conner Tobin, and Kaleb Hibner made up the highest scoring team from our chapter in the Urban Soils competition.

District Soil Judging

On Wednesday, September 24th members went to district Soil Judging at Lost Creek Reserve in Troy. The Urban team, consisting of Kaleb Hibner, Ava Schmitmyer, Tori Timmerman, Conner Tobin, Keaton Tobin, Madison Zwiebel, Derek Dues, and Kennley Siegrist, placed 7th in the District against 27 teams.

The Agricultural Soils team, consisting of Brent Heuing, Carter Heitkamp, Heidi Klenke, Renae Huser, Ava Smith, Lana Kaiser, Janessa Smuts and Kameron Bird, placed 16th out of 31 teams. These members

had to judge the land structure, slope, soil texture, and the drainage. Examinations are made from a farming and construction point of view. Participants are also required to take two written exams about the land. Congratulations!

Celina Farmers Market - Kids' Activity

On September 7 at the Celina Farmers Market, some FFA members led a kids' activity using popsicle sticks to make fun little crafts.

Thanks to Renae Huser, Kennley Siegrist, Ava Schmitmeyer, and Brent Heuing for volunteering their time to help out

FFA Annual Fruit, Nut, Cheese, BBQ Sauce, and Meat Stick Sale

The FFA Fruit Sale is the annual fundraiser to raise funds for all of the costs required for our activities, judging events, conventions, camps, conferences, and banquet.

Beginning October 9, the FFA will be selling:

Oranges, Grapefruit, Apples, Pears, and Pineapples

Meat Sticks, Beef Jerky, Summer Sausage

Canned Nuts

BBQ Sauce

Cheese

Support the Coldwater FFA by purchasing these items so they can participate throughout the year to develop their leadership, personal and career skills.

***Orders can be placed through November 3. Orders will be delivered the week of December 9. Please check the Coldwater FFA Facebook page or contact the high school (419-678-4821) AFTER October 9th to place your order.

Articles submitted by FFA Chapter Reporter, Carter Heitkamp

Notes from the Coldwater Band

We are in the midst of an exciting fall season for the Coldwater Band Program!
Mark your calendars for the following upcoming events.

Junior High Band Practice & Show – October 2–3

On October 2, our junior high students will join the high school band for a combined rehearsal, giving them a taste of the excitement and teamwork of marching band. The following evening, October 3, the **Junior High Band Show** will showcase their hard work and progress. Families and friends are encouraged to attend and cheer on our young musicians!

6th Grade Band Trip to Lima Symphony – October 10

The 6th grade band will travel to the Lima Symphony for the **Young People’s Concert** at 11:00 am. This trip gives students the chance to experience live professional musicians and be inspired by the power of symphonic music.

Butterbraid Fundraiser – October 14–28

Our annual **Butterbraid sale** begins October 14! Proceeds directly support our band program. Orders will be delivered November 13 at 2:30 pm—please make arrangements to pick up items promptly. Thank you in advance for supporting this delicious fundraiser!

Senior Night – October 17

We will honor our senior band members during **Senior Night**, recognizing the dedication and leadership of our graduating students.

5th Grade Band Concert November 6 at 7:30 pm

The 5th grade band will present their **very first concert!** Come out to support our newest musicians as they share what they’ve learned so far.

7th Grade Trip to Columbus – November 7

The 7th grade band will travel to Columbus for a **special performance by The Ohio State University Marching Band** at 10:00 am. Seeing the OSU Band up close will be an unforgettable experience.

6–12 Band Concert – December 7 at 3:00 pm

Our **winter concert** will feature performances from students in grades 6–12. This highlight of the year brings all our ensembles together to share festive music of the season.

Thank You, Band Boosters!

A huge thank you to our Booster Officers for their tireless support of the band program. Your dedication helps provide meaningful opportunities for our students.

All Band Parents are “Band Boosters”. We rely on the help of everyone to support the nearly 300 students in the band program. If you’d like to get involved, consider **volunteering at upcoming events** by visiting cavalierband.org/volunteer-sign-ups. You can also support the program financially through the **Music Is Instrumental campaign** at cavalierband.org/ways-to-help/Music-Is-Instrumental. Every contribution—whether time or resources—makes a big difference for our students.

5th Grade Band update

The 5th grade band has been hard at work building the FUNdamentals of instrumental music. From learning assembly and posture to producing their very first sounds, our students are making steady progress and growing every day.

The 20-Hour Learning Curve: Helping Your Child Succeed in Band

Learning an instrument can feel overwhelming at first—but it doesn’t take thousands of hours for students to sound good. Research shows that with just **20 hours of focused practice**, beginners can go from squeaks and honks to playing real music with confidence.

What does 20 hours look like?

- **20 minutes a day**
- **4–5 days a week**
- **About 2 months**

That’s all it takes to build a strong foundation on their instrument!

How you can help:

- **Encourage short, regular practice.** A consistent routine is better than long, rare sessions.
- **Provide a quiet space.** Even a small corner with fewer distractions makes a difference.
- **Celebrate progress.** Remind your child that every practice session brings them closer to making music with the band.

The first few weeks are the hardest. Sounds may not be pretty at first, but sticking with it leads to big breakthroughs. By supporting your child through those 20 hours, you’ll set them up for success—and the joy of making music that lasts a lifetime.

MUSIC IS INSTRUMENTAL TRAVEL FUNDRAISER

The Pride of Coldwater, our High School Marching Band, is a shining example of student talent, dedication, and community. Our Cavalier Band is more than just music—it's teamwork, discipline, leadership, and lifelong memories. Our students share their talents at athletic events, parades, and civic celebrations, inspiring pride across our community.

In March 2027, our students will have the honor of performing at Universal Studios Florida through a national music clinic program—an opportunity that will inspire them for a lifetime.

This year our annual Music Is Instrumental campaign seeks to raise \$15,000 to help offset the upcoming travel expenses for safely transporting our students and equipment to Orlando and back. Every four years, we provide a travel opportunity so that all students experience the growth and inspiration of performing beyond Coldwater.

With your help, we can make this milestone trip a reality and give our students the experience of a lifetime. Together we can ensure every student has the chance to represent our community on a national stage and carry forward the tradition of excellence that defines the Pride of Coldwater!

Join us in supporting the Pride of Coldwater, and together we can keep the music alive for generations to come!

FRIDAY NIGHT LIGHTS

Thank you to everyone who joined us for our 7th annual Friday Night Lights event. What a night!! The food trucks were busy, the entertainment was awesome and so many of you had a great time including our many cash and raffle prize winners. Thank you to our many sponsors and workers as we couldn't do this event without all of you!!

UPCOMING EVENTS

Join us with the Buzzards Glory Community Club **Friday, October 17** before the Versailles game for our Chili Supper Appreciation night at the Depot - FREE FOOD and DRINKS!!

Booster Club Membership forms are due October 31. See the form attached for more information

“SHERLOCK” TICKETS NOW ON SALE!

The Coldwater High School will be presenting “SHERLOCK HOLMES: The Baker Street Irregulars” **October 23 7:00 pm, October 25 8:00 pm and October 26 4:00 pm** in the Coldwater Auditoria. Tickets are open to the public and are now on sale! It is going to be an awesome production! We have over 20 cast members working hard to make this the best High School production yet! Be sure to come check out the show! This is going to be an amazing show which includes some of our very own Elementary students!

As stated, tickets are not limited and all seats are general admission! We can do special pre-sale pricing as well. Tickets can be purchased as follows:

Pre-Sale tickets Available:

\$8.00 Adults

\$7.00 Students

This is **per show** so please be sure to order enough tickets for all the shows you want to attend. There are no show specific tickets and there are 3 chances to see the show!

ALL TICKETS AT THE DOOR \$10 Regardless of age (Pre-School and up)

If you are interested in purchasing tickets, please fill out the attached form and send it back to school with your name along with cash or a check made out to **Coldwater Schools**. Forms are to be brought to Mrs. Petersen. You can also come to the **High School Office** and the ladies there will take care of your purchase. If you know a student at school, you can ask to have them bring your tickets to you or you can bring in your form and pick up tickets right away.

Remember, the money paid to see the show goes towards licensing, sets, supplies and costume pieces. We understand it does get costly to see the show with a family but it is supporting a great cause! If you have any questions, please email me at pe-tersen.denise@coldwatercavs.org or call 419-678-2613. **Also, check us out on Facebook: Coldwater High School Drama. Like our page and get any updates that are posted there as well.**

Thank you!

COLDWATER DRAMA

A MEMBERSHIP DRIVE SUPPORTING THE DRAMA PROGRAMS

COLDWATER SCHOOLS

The Coldwater Drama Department is made of three groups, Elementary Drama (4th and 5th Grade), Middle School Drama (Grades 6-8) and High School Drama (Grades 9-12). Each year we set out to present high quality entertaining productions and obtain performance rights for well known, popular shows. We are looking for sponsors who are willing to donate and help us build our Drama Programs so we can continue to put on spectacular shows.

For the 2025-2026 drama season, Elementary Drama will be presenting "FROZEN" JR, Middle School "Descendants" The Musical, and High School is doing a play "SHERLOCK HOLMES: THE BAKER STREET IRREGULARS" in the fall and "THE ADDAMS FAMILY" in the spring. We would like to invite you to be an honorary part of the Drama Program here in Coldwater. It is YOUR support that helps provide the opportunity for growth and sustainability. We were able to provide high quality shows during the 2024-2025 season thanks to all of our sponsors! We hope to continue growing this sponsorship program so we can contribute to some major equipment upgrades that are very much needed along with sustaining our high quality productions!

Why Donate?

Performance rights alone for many JR productions start at \$800, and the High School shows at \$3400. These rights allow us to perform 3-5 shows with limitations set by the licensing agreement. Performance rights however do not include costumes, musical scores, prompt books, or choreography. These items incur added cost based on the size of the production and cast. The Drama Department rents, purchases, or makes many of the costumes you see. We also build many unique sets, often with the inability for long term storage. Coldwater's 2025 production of "NEWSIES" cost \$10,000.

By donating to the Drama Program, you will get your name or business in the Playbill for each group in which you donate, with a note of thanks. You can choose to have your donation split between all 3 drama groups, or you can specify which group you would like your donation to support. In addition, you will receive a 2 ticket credit voucher (PRESALE ONLY) for each \$100 donated. Send this voucher in with any PRESALE order to receive two tickets for the show of your choice!

Please make your check payable to Coldwater Schools (c/o Coldwater Drama in the memo) and fill out the attached form. 100% of your donation will stay in the Coldwater Drama Department. We truly thank you for your donation.

COLDWATER ATHLETIC BOOSTERS

WHO WE ARE:

The Coldwater Athletic Booster Club supports the entire Coldwater Athletic Department and all athletes by promoting the athletic programs, athletic scholastic endeavors, and sportsmanship within the school system. We help improve athletic facilities and equipment used for athletes and other residents of the Coldwater School District. **Anyone can become a member of the Booster Club either as a board member or as a booster member.**

WHAT BEING A BOOSTER BOARD MEMBER MEANS:

The Booster Club Board consists of volunteers who have agreed to give of their time and talents to act in an advisory role regarding the support of our athletes and athletic department. The board meets once a month to review requests and upcoming projects. **We are looking for new members to serve on the board as many of our members have donated their time for multiple years. If you are interested in becoming a Booster Board member, please contact a current Booster Board member, contact us on Facebook or let us know on the contribution form.**

CURRENT BOARD MEMBERS:

Leah Bruns (President)	Amanda Ahrens	Rose Pottkotter
Liz Niekamp (Vice President)	Jason Bruns	Maggie Rismiller
Jackie Homan (Secretary)	Tamra Dues	Jared Roessner
Jayme Moorman (Treasurer)	Abbie Homan	Amanda Schoenherr
	Mike & Sarah Klenke	Troy Steinbrunner
	Leslie Krugh	Brian Winner
	Kyle & Jenna Niekamp	

WHAT BEING A BOOSTER MEMBER MEANS:

By donating to the Coldwater Athletic Booster Club, you are automatically considered a Booster Member. Each donation level holds its own special perks, but every level of sponsorship means that you support our local student athletes. For those of you who would like to do more than a monetary donation, there is the opportunity to become a Coldwater Athletic Booster Club Board Member.

PROJECTS DONATED TOWARDS:

Below is a list of the various projects within Coldwater Athletics that the Boosters has donated towards this past year:

State Championship Banners for Football, Volleyball, and Girls Track		Cheer Uniforms
Stadium Banners Replaced	New Turf in Batting Cages	Football Headsets
Wrestling Matts	Team Meals Offered for all Sports	Town Entrance State Sign Replacements
Infield Mix for Diamond #2	Football Tackle Pads	Stadium Bleachers Painted
Sideline Turf at Football Stadium	Baseball Pitching Machine	Football Shoulder Pads

FUNDRAISERS:

Keep an eye out for these upcoming fundraising events and many more:

- *Booster Clothing Drive
- *Booster Bash Night
- *50/50 at Football Games and Boys Basketball Games
- *Concessions at Girls & Boys Basketball Games
